

TRIAL, 12/1/09

1 A. Steven McMurray, and I think that he was the only  
2 one that asked me for those. That was --

3 Q. And when did they ask you for them? Well, when  
4 did Mr. McMurray ask you for them?

5 A. When this initially became an issue that we needed  
6 legal counsel.

7 Q. And do you know when that was? Do you have an  
8 approximate date?

9 A. I have no idea. I'm assuming it would have been  
10 back in sometime in 2005.

11 Q. Did Mr. Bybee call you as well?

12 A. Mr. Bybee had asked where everything for this file  
13 was prior to that, yes.

14 Q. Okay. So Mr. Bybee had asked you and Mr. McMurray  
15 had asked you for them?

16 A. Uh-huh.

17 Q. Anyone else?

18 A. Not that I recall.

19 Q. Okay. Let's -- let's see if you -- what you can  
20 remember about your conversation with Mr. Bybee. Was it in  
21 person or over the phone?

22 A. I believe it was just in person.

23 Q. In person? Was it at your office or his office?

24 A. At the Winterfox office.

25 Q. And did he call you to come meet with him?

TRIAL, 12/1/09

1 A. No. It was -- if I remember correctly, it was  
2 just in discussion with several other dealings that we had.  
3 We --

4 Q. And who else was present besides you and  
5 Mr. Bybee?

6 A. Not -- I don't remember anybody being present.

7 Q. How about Marco? Well, obviously you were present  
8 and Mr. Bybee. What about Marco Fields?

9 A. Not that I remember. But we were doing a lot of  
10 business together in other realms as well, and so Marco --  
11 there was a lot of us around all the time. So to pull out a  
12 detail like that, I just don't remember.

13 Q. Okay. Do you recall what -- what Mr. Bybee said  
14 to you? Well, first of all, do you remember when this was?

15 A. No.

16 Q. Do you remember if it was -- how close it was to  
17 the date the loan went into default, which would have been  
18 February 21 or, actually, after the --

19 A. It was after that.

20 Q. -- extension. Right.

21 A. Yeah. Maybe a month or two after that when we  
22 were deciding which direction to go, how -- how much longer  
23 to allow the permanent financing to take place.

24 Q. And you discussed what the documentation was;  
25 whether you'd crossed your T's and dotted your I's at that

TRIAL, 12/1/09

1 time? Something like that?

2 A. I don't remember having that detailed of a  
3 discussion, to be honest with you.

4 Q. What was the discussion, to the extent you can  
5 remember?

6 A. Where's the file, where are the documents, do we  
7 have the Deed In Lieu Of Foreclosure.

8 Q. Was there a discussion about the disclosures and  
9 notices under TILA?

10 A. Not that I remember.

11 Q. Okay. What about your discussions with  
12 Mr. McMurray? Over the phone or in person?

13 A. Over the phone.

14 Q. And do you have a recollection of when that was?  
15 I think you had said 2005.

16 A. Yeah. Probably in the same time frame.

17 Q. Okay. And what did he ask you?

18 A. Just for anything that I would have had that  
19 pertained to this file.

20 Q. And did he ask you specifically about the Deed In  
21 Lieu Of Foreclosure?

22 MS. BOULEY: Objection. Hearsay, Your Honor.

23 MR. AFFLECK: I'm not asking -- I'm asking what he  
24 was -- what question he was asked. It is not being offered  
25 for proof of -- of any -- there's no assertion. The

TRIAL, 12/1/09

1 question is did he ask you about the Deed In Lieu Of  
2 Foreclosure. I'm asking if he remembered him asking that  
3 question.

4 THE COURT: The objection's overruled.

5 THE WITNESS: Not specifically. Just anything to do  
6 with this file.

7 Q. (BY MR. AFFLECK) Okay. So but anything to do with  
8 the file, but nothing specific?

9 A. Correct. Any --

10 Q. In lieu notices and disclosures?

11 A. Were there any documents, disclosures that I for  
12 some reason had that wouldn't have been in the file. Just  
13 trying to gather all the documentation.

14 Q. Okay. At some point in time, did you review all  
15 of the documentation that the parties had collected relating  
16 to this loan?

17 A. Not in really any detail.

18 Q. So there was an assignment given or a request  
19 given to gather up these documents, you gathered them up and  
20 you gave them to -- you gathered up what you had, and you  
21 gave it to Fabian?

22 A. Actually, I didn't have anything.

23 Q. You didn't have anything?

24 A. It was all in one location.

25 Q. And where was that?

TRIAL, 12/1/09

1 A. In the safe in Winterfox.

2 Q. Okay. Did you go to that safe and pick up the  
3 documents?

4 A. I didn't.

5 Q. Did you -- were you ever shown what was in the  
6 safe?

7 A. No.

8 Q. Did you ever discuss with anyone what was in the  
9 safe?

10 A. Only that's where our documents were.

11 Q. Have you had a chance to review the documents, the  
12 alleged disclosure documents, Exhibit 7 and 8?

13 A. I believe the only time I'd seen them was at the  
14 deposition.

15 Q. So you never discussed these with --

16 A. I may have seen them prior to that, but not in  
17 detail.

18 Q. Have you ever discussed these disclosures with  
19 Marco, Evan, or any attorneys with Winterfox?

20 A. Not in detail. We had gone through the note, the  
21 reason for the loan. Other than that, the disclosures and  
22 things I wasn't real in depth.

23 Q. Have you seen disclosures like this before in  
24 connection with loans?

25 A. Yes.

TRIAL, 12/1/09

1 Q. And what's your understanding of the purpose of  
2 these disclosures like this?

3 A. To verify to the borrower basically what they're  
4 signing so they can have some time to look over the -- the  
5 parameter of the loan.

6 Q. And have you had a chance to look over these  
7 documents in relation to the loan that was given by  
8 Winterfox to Mr. Kitts?

9 A. Again, only at the deposition was when I saw  
10 those.

11 Q. If you'll turn to Exhibit 7, Winterfox No. 10.  
12 This is one of the disclosure notices, it's entitled. This  
13 is part of what would normally be disclosed in a Truth In  
14 Lending disclosure statement?

15 A. Yes, in a Truth In Lending. In a residential  
16 mortgage, yes.

17 Q. Okay. And I notice it includes an Affidavit of  
18 Occupancy and it checks primary residence. Do you know who  
19 checked that or prepared this statement?

20 A. I would just assume it was Marco.

21 Q. And did they do it with information from you?

22 A. They would have done it off of information off of  
23 the application, Uniform Loan Application.

24 Q. So the loan application would have -- now, the  
25 loan application we don't have. Right?

TRIAL, 12/1/09

1 A. I haven't seen it.

2 Q. We don't have -- we don't have it.

3 A. Okay.

4 Q. And you had it, but you don't know where it is  
5 right now?

6 A. It was with the file at some point.

7 Q. Okay. So what you're saying is this disclosure  
8 probably would have been -- or would have been prepared off  
9 of that information sheet acknowledging that it was a  
10 primary residence?

11 A. Yes, sir.

12 Q. You testified that you visited the Kitts home  
13 before the loan was done to verify the value of the home for  
14 purposes of making the loan. I imagine at that time you  
15 spoke with Mr. Kitts?

16 A. Yes.

17 Q. Isn't it true that besides that visit, you never  
18 spoke with Mr. Kitts other than that visit?

19 A. No.

20 Q. When else did you speak with him?

21 A. On several occasions.

22 Q. Before the loan or after the loan?

23 A. Both before and after.

24 MR. AFFLECK: No further questions, Your Honor.

25 THE COURT: Are there questions for the witness?

TRIAL, 12/1/09

1 MS. BOULEY: Yes, Your Honor.

2 THE COURT: Counsel.

3 CROSS EXAMINATION +

4 BY MS. BOULEY:

5 Q. Good afternoon, Mr. Olivarez.

6 A. Hello.

7 Q. Hopefully you can hear me.

8 Did you act as a go-between between the borrower,  
9 Mr. Kitts, and Winterfox as the lender?

10 A. No.

11 Q. Were you licensed as a mortgage broker in December  
12 of 2004?

13 A. I was licensed as a loan officer, yes, which --  
14 working for a brokerage in 2004.

15 Q. And your license was with Citywide. Correct?

16 A. Yes.

17 Q. Do you recall what pre -- what pre-approvals  
18 Michael Falk had?

19 A. Yes. There were several. I remember one from  
20 Countrywide, another from a sub-prime lender. I think it  
21 was Accredited. There was two or three others that I don't  
22 really remember. Just that he had a -- several  
23 pre-approvals.

24 Q. Did you actually see pre-approval documents or did  
25 he just tell you about them?

TRIAL, 12/1/09

1 A. No. I saw them.

2 Q. Do you remember the terms of any of those  
3 pre-approvals?

4 A. The ones that stood out were -- was, obviously,  
5 the one from Countrywide because they're a reputable  
6 company, and it was very straightforward. Jumbo loan.  
7 Don't remember the percentage rate, but a 30-year term.

8 Q. Do you remember the amount?

9 A. Seemed like it was a million four and some change,  
10 but it could have been higher than that.

11 Q. If Mr. -- if Mr. Falk had these pre-approvals, why  
12 was the Winterfox loan necessary?

13 A. Because the property was in default and needed to  
14 be paid off before it was actually foreclosed upon.

15 Q. So were those conditions of all of these  
16 pre-approvals?

17 A. The -- well, that it was not in foreclosure? Is  
18 that what you're asking?

19 Q. Yes.

20 A. Yes.

21 Q. So the pre-approvals that Michael Falk had could  
22 not -- those lenders were not willing to lend while the  
23 property was in foreclosure. Is that correct?

24 A. It seemed like a couple of them were, in fact,  
25 willing. The -- the Countrywide and Accredited, they

TRIAL, 12/1/09

1 needed -- it needed to be out of foreclosure. But the time  
2 frame simply was not enough, and so that's why we were  
3 called upon to put the loan together; because the lenders  
4 had not acted quickly enough. And so, to my knowledge, that  
5 was the reason that we needed to act on it so quickly.

6 Q. But you don't recall who those other lenders are?

7 A. I don't.

8 Q. Or were. I'm sorry.

9 A. Yeah. I don't. I'm sorry.

10 Q. Do you know if those other lenders had any  
11 conditions associated with their pre-approvals?

12 A. Just basic conditions that, you know, clear title,  
13 appraisal, things that would go along with virtually any  
14 loan. Or any mortgage loan.

15 Q. So the other lenders whose names you can't recall  
16 also required or were requiring that the title be clear  
17 before they were willing to lend. Is that true?

18 A. From the foreclosure, yes. Well, excuse me. The  
19 two -- the two would not do it while it was in foreclosure.  
20 The other lenders would actually come in and do the  
21 refinance, but there just wasn't the time before the  
22 property was actually foreclosed upon.

23 Q. What is your understanding of what the purpose of  
24 the -- of the loan from Winterfox was?

25 MR. AFFLECK: Objection. Foundation and relevance.

TRIAL, 12/1/09

1 MS. BOULEY: Your Honor, I think, you know, one of the  
2 major issues in this case is the purpose for which the  
3 loan -- the Winterfox -- the loan from Winterfox was  
4 acquired, so I think it's relevant on those grounds. I'm  
5 happy to lay some foundation.

6 THE COURT: Would you, please.

7 MR. AFFLECK: Your Honor, might I address that issue  
8 just for a moment? I don't think the issue of  
9 Mr. Olivarez's understanding is relevant. I think what is  
10 relevant is whether it was for a consumer purpose or a  
11 business purpose. Not what he understood. And that's what  
12 I'd like to say.

13 THE COURT: That portion of the objection's overruled,  
14 but you may lay a foundation.

15 MS. BOULEY: Thank you, Your Honor.

16 Q. Mr. Olivarez, did you have any discussions with  
17 Michael Falk or Mr. Kitts or anyone about the reason  
18 Mr. Kitts wanted a loan from Winterfox?

19 A. Yes.

20 Q. What did Michael Falk tell you was the reason that  
21 Mr. Kitts needed the loan?

22 MR. AFFLECK: Objection. Hearsay.

23 MS. BOULEY: We're offering it not -- not to prove the  
24 truth of the matters asserted, Your Honor, but to show what  
25 Mr. Olivarez's understanding was at the time, you know, what

TRIAL, 12/1/09

1 he was -- what assumptions he was operating on based on what  
2 he was told the purposes of the loan were for. It's not  
3 hearsay.

4 MR. AFFLECK: And, Your Honor, I would assert that the  
5 truth of the matter is the importance of the question.  
6 Mr. Olivarez's understanding is not controlling in this  
7 case. What is controlling is whether it was a consumer loan  
8 or a business loan, and what somebody told him about that  
9 fact is hearsay. Unless this Court, I think, determines  
10 that Mr. Olivarez's understanding is relevant to the  
11 question, I believe it is irrelevant and it is being offered  
12 simply for the truth of the matter asserted.

13 THE COURT: The objection's overruled. The witness may  
14 answer.

15 THE WITNESS: My understanding, and what I was told and  
16 the reason we ultimately did the loan, is -- there were two  
17 reasons. One, to save the property from being foreclosed  
18 upon and, two, were to give Mr. Kitts business capital so he  
19 could get over whatever hurdle he had in front of him, and  
20 it opened up several doors to have this capital, and that's  
21 why we did the loan.

22 Q. (BY MS. BOULEY) When you went to the property in  
23 late November of 2004, did it appear to you that Mr. Kitts  
24 was running his businesses out of the property?

25 A. Yes.

TRIAL, 12/1/09

1 Q. What did you observe?

2 A. A home that he not only lived in, but the --  
3 the -- his offices were set up there as well as his wife's  
4 training facility above the garage. They had just added on  
5 so she could run her personal training business from the  
6 home.

7 MR. AFFLECK: Objection. Lack of foundation. Move to  
8 strike as to why things were done. I don't know that this  
9 witness is doing anything but speculating.

10 THE COURT: I'll allow you to lay a foundation.

11 Q. (BY MS. BOULEY) Mr. Olivarez, when you went to the  
12 home, what led you to believe that there was business being  
13 conducted out of the home?

14 A. Two things. First of all, I was shown the  
15 addition that now allowed Mrs. Kitts to be able to run her  
16 personal training at home. And, secondly, in the middle of  
17 the home, as you walk in, was a large office area where  
18 Brian specifically told me this is where he officed out of.

19 MR. AFFLECK: Again, Your Honor, not as to the office  
20 question, but as to the gym question, lack of foundation,  
21 move to strike.

22 THE COURT: Well, I'll allow Ms. Bouley to continue to  
23 lay a foundation.

24 Q. (BY MS. BOULEY) Mr. Olivarez, how did -- what  
25 information did you have at the time to suggest that

TRIAL, 12/1/09

1 Mrs. Kitts was operating a business out of the facility over  
2 the garage?

3 A. They told me all the money they had put into  
4 remodeling the facility for her to be able to do that there  
5 and the equipment that they had purchased to make it a  
6 first-class gym.

7 Q. What did the gym look like?

8 A. A small version of something you'd see in a  
9 commercial gym. I mean, it was a several hundred square  
10 feet that was laid out exactly like a gym with the flooring  
11 that a gym would have, really nice gym equipment. That's --  
12 that's why it was a gym.

13 Q. Did Mr. or Mrs. Kitts or anyone tell you that  
14 Mrs. Kitts worked as a personal trainer, personal fitness  
15 trainer?

16 A. Yes.

17 Q. And did they tell you that she worked out of her  
18 home out of this gym in the home?

19 A. Yes. In fact, when I was there, she actually had  
20 a client there.

21 Q. Originally did you contemplate that there would be  
22 two loans from Winterfox or just one?

23 A. Just one.

24 Q. Now, I believe you explained earlier in your  
25 testimony that the reason for the second loan was that there

TRIAL, 12/1/09

1 was a shortfall in the payoffs for the -- in connection with  
2 the first closing. Is that correct?

3 A. Correct.

4 Q. And were you paid for your consulting work on the  
5 loan for Winterfox?

6 A. Yes.

7 MR. AFFLECK: Objection. Assumes facts in evidence  
8 that he was a consultant and not something else.

9 THE COURT: Would you rephrase, please.

10 MS. BOULEY: Certainly.

11 Q. Mr. Olivarez, what were you paid for in connection  
12 with the loan from Winterfox?

13 A. For consulting and the assistance in processing  
14 the loan.

15 Q. Was it urgent that the loan fund right away?

16 A. Yes.

17 MR. AFFLECK: Asked and answered.

18 THE COURT: I'll allow the witness to answer.

19 THE WITNESS: Yes.

20 Q. (BY MS. BOULEY) Did Mr. Kitts seem very anxious to  
21 get the loan funded as quickly as possible?

22 MR. AFFLECK: Objection. Foundation.

23 THE COURT: Sustained.

24 Q. (BY MS. BOULEY) Were you present at the closing on  
25 December 8th?

TRIAL, 12/1/09

1 A. Yes.

2 Q. Was Mr. Kitts there as well?

3 A. Yes.

4 Q. Did he indicate to you that it was important that  
5 the loan fund as quickly as possible?

6 A. Yes.

7 Q. Did he tell you why?

8 MR. AFFLECK: Objection. Hearsay.

9 THE COURT: Overruled.

10 THE WITNESS: Yes. The -- the property was in fear of  
11 being foreclosed and taken.

12 Q. (BY MS. BOULEY) Do you recall Mr. Kitts executing  
13 a Deed In Lieu Of Foreclosure at the time of the first loan  
14 on December 8?

15 A. You know, I don't remember exactly when that was  
16 executed. I know there was one executed. I had originally  
17 thought there was one executed at the time of closing, but  
18 the only documentation I've seen was much later.

19 Q. So do you recall seeing a Deed In Lieu Of  
20 Foreclosure at the time of closing on December 8th?

21 A. Again, my procedure was to make sure that there  
22 was one there, but I don't recall actually physically seeing  
23 it and seeing it being -- be signed.

24 Q. So is it fair to say you don't know if a Deed In  
25 Lieu Of Foreclosure was signed --

TRIAL, 12/1/09

1 A. Yes.

2 Q. -- on December 8?

3 Are you aware of any other Deeds In Lieu Of  
4 Foreclosure that were signed by Mr. Kitts other than the one  
5 that you've been shown today?

6 A. No.

7 Q. Did Winterfox obligate you in any way to share  
8 part of your fee with Marco Fields, or was that your  
9 decision?

10 A. No. That was my decision.

11 MS. BOULEY: May I have just a second?

12 THE COURT: You may.

13 Q. (BY MS. BOULEY) And, Mr. Olivarez, do you consider  
14 that you acted as a mortgage broker in connection with the  
15 Winterfox loan?

16 MR. AFFLECK: Objection. Calls for a legal conclusion.

17 THE COURT: The objection's overruled.

18 THE WITNESS: Not in any way.

19 Q. (BY MS. BOULEY) I'm sorry. What?

20 A. No. No. Not at all.

21 Q. Okay. And why is that?

22 A. A mortgage broker is someone, in my understanding,  
23 that would go find, originate, and shop a loan. I wasn't  
24 doing any of that. The loan was brought to us, and I was  
25 merely scrubbing it down to see if it was a good risk to

TRIAL, 12/1/09

1 take or not.

2 Q. All right. Thank you.

3 No further questions at this time.

4 THE COURT: Thank you. Mr. Affleck, do you have  
5 anything further of this witness?

6 MR. AFFLECK: Yes.

7 REDIRECT EXAMINATION +

8 BY MR. AFFLECK:

9 Q. Now, all the loan documents were prepared in  
10 Brian's personal name. Right?

11 A. As far as I know, yes.

12 Q. And the loan was with Brian individually?

13 A. Yes.

14 Q. And the trust deeds that were prepared, based on  
15 the information you gave, indicated that Brian was the owner  
16 of the property. Correct?

17 A. Yes.

18 Q. And you knew that Mr. Kitts lived there. Right?

19 A. Yes.

20 Q. And you knew he was about to lose the house in a  
21 foreclosure proceeding. Right?

22 A. Yes.

23 Q. And you knew he needed to get the loan refinanced  
24 quickly or he would lose his home. Right?

25 A. Correct.

TRIAL, 12/1/09

1 Q. And you knew that the foreclosing liens included  
2 Wells Fargo, which was a personal loan, Washington Mutual,  
3 which was a personal loan, and Ed Ingram, which was a lien  
4 for an addition to the home. Right?

5 MS. BOULEY: Objection. Assumes facts not in evidence.

6 THE COURT: Counsel, I'm going to sustain that.

7 Q. (BY MR. AFFLECK) You knew the -- you knew the  
8 liens that were foreclosing were Washington Mutual, Wells  
9 Fargo and Ed Ingram. Right?

10 A. Yes.

11 Q. And do you recall your -- did you have an  
12 understanding of who was obligated under those loans?

13 A. Who was obligated?

14 Q. Correct.

15 A. Brian himself.

16 Q. Okay. Now, you said that Michael Falk told you  
17 that the purpose of the loan -- told you what the purpose of  
18 the loan was. Did Michael Falk tell you where he got his  
19 information?

20 A. I was told by more than Michael Falk what the  
21 purpose of the loan was.

22 Q. Well, you were asked what Michael Falk told you.

23 A. Okay.

24 Q. I'm asking: Did you ask him where he got his  
25 information or did you just take his word for it?

TRIAL, 12/1/09

1           A.    When this -- I got his -- I got the information,  
2   when I asked him, from Brian, and he continued by putting  
3   Brian on a call with me so I could confirm the information.

4           Q.    So your -- your response was, then, that the  
5   purpose of the loan was, number one, to save the property  
6   and to provide business capital to get over a hurdle.

7           A.    Right.

8           Q.    Now, save the property I understand. Business  
9   capital to get over a hurdle, what was the discussion about  
10   that?

11          A.    Who knows what the hurdle was. It's -- my  
12   understanding was is that he had a business that he needed  
13   some capital to finish a project and --

14          Q.    And what was the business?

15          A.    Some type of business taking other businesses  
16   public.

17          Q.    And how much capital was needed?

18          A.    That I don't recall.

19          Q.    Well, how much was necessary as part of this loan  
20   to get him over that hurdle?

21          A.    We would have to go through the documentation,  
22   because we drilled down on exactly what he needed, and  
23   whatever did not go to saving the home would have been going  
24   to Mr. Kitts.

25          Q.    But isn't it true that the reason that you needed

TRIAL, 12/1/09

1 the second loan is because the first loan wasn't enough to  
2 pay off the foreclosing liens?

3 A. The title company did not have the right  
4 information for the -- for the payoffs. Correct.

5 Q. So the -- so the money in this case, from the  
6 Winterfox loan, was necessary to pay off liens; not for new  
7 capital, was it?

8 MS. BOULEY: Objection. Foundation.

9 THE COURT: Objection's. Overruled.

10 THE WITNESS: I don't know how much went into  
11 Mr. Kitts' pocket.

12 Q. (BY MR. AFFLECK) Well, you know that when you  
13 refinance a loan usually the lender wants to make -- the new  
14 lender wants to make sure the old liens are paid off first.  
15 Right?

16 A. Correct.

17 Q. And there wasn't enough money to pay off the liens  
18 from the Winterfox loan, was there, the initial loan?

19 A. Correct.

20 Q. And that's why the second loan needed to be made?

21 A. Correct.

22 Q. And it was made in the amount necessary to pay off  
23 the -- was it the Wells Fargo, remaining Wells Fargo lien,  
24 is that what you testified, or was it --

25 A. Without going to those documents and seeing

TRIAL, 12/1/09

1 what --

2 Q. Well, whatever the lien was. Wells Fargo,  
3 Washington Mutual, whatever the lien was, it was to pay off  
4 the remaining liens on the property?

5 A. Correct.

6 Q. Now, when you worked at Citywide, did you consider  
7 yourself a mortgage broker?

8 A. Yes.

9 Q. And you testified that you were a licensed  
10 mortgage broker. You held a license. Correct?

11 A. Correct.

12 Q. And it was you who facilitated the contact between  
13 Michael Falk and Brian Kitts on one side and Winterfox on  
14 the other. Is that correct?

15 MS. BOULEY: Objection. Misstates testimony.

16 THE COURT: I'll allow the witness to answer.

17 THE WITNESS: No.

18 Q. (BY MR. AFFLECK) Without you, how would Winterfox  
19 have been able to find out about this loan opportunity?

20 A. I did not solicit or go --

21 Q. Did Michael Falk solicit you?

22 A. Yes.

23 Q. And then you contacted Winterfox?

24 A. By this time I was already working with Winterfox.  
25 I didn't --

TRIAL, 12/1/09

1 Q. And Michael Falk contacted you, did he not, and  
2 say have you got a loan, have you got someone that can make  
3 a loan to Brian Kitts?

4 A. Yes.

5 Q. I've got a good borrower?

6 A. Yes.

7 Q. And you said yes, I've got a lender?

8 A. No. I told him that I was working with a lender.

9 Q. But you're not employed by Winterfox; you were  
10 working with them in the context of what you would call a --  
11 as a consultant. Right?

12 A. That would be correct.

13 Q. And you get paid when you consult about a loan  
14 that funds?

15 A. Correct.

16 Q. And in this case you got paid the exact amount  
17 that Mr. Falk got paid for him acting as a mortgage broker.  
18 \$12,500. Is that right?

19 MS. BOULEY: Objection. Foundation.

20 THE COURT: The objection's overruled.

21 Q. (BY MR. AFFLECK) Now, you drafted the contracts.  
22 Right?

23 A. Yes.

24 Q. Or, at least, you provided all of the information  
25 to draft the contracts. You obtained the pre-comparable

TRIAL, 12/1/09

1 sales on the borrower's home and evaluated the value for  
2 Winterfox. Right?

3 A. No.

4 Q. I thought you looked at the property to determine  
5 whether it had the value to support --

6 A. I did, but you asked about comparables.

7 Q. Okay.

8 A. Those were provided to me. I didn't pull  
9 comparables.

10 Q. And isn't it true that Marco Fields provided those  
11 and got those?

12 A. My understanding was is they were provided by  
13 Mike, Michael Falk, in the appraisal.

14 Q. Okay. So you evaluated those, at any rate; they  
15 were given to you, and you evaluated them for Winterfox?

16 A. Yes.

17 Q. You took the borrower's loan application, you  
18 received the package from Mr. Falk. Right?

19 A. I did not take a loan application, meaning I did  
20 not fill it out. I was given a loan application.

21 Q. You were given a loan application to consider?

22 THE COURT: Sir, I need an audible response. I need  
23 you to say your answer rather than shake your head.

24 THE WITNESS: Oh. I -- okay.

25 Q. (BY MR. AFFLECK) Did you say yes?

TRIAL, 12/1/09

1 A. What did I not answer? You asked me if I took a  
2 loan application. I said no.

3 Q. But you reviewed the loan application that was  
4 given to you by Mr. Falk?

5 A. Yes.

6 Q. And you facilitated the title insurance for  
7 Winterfox. Right? You arranged for that?

8 A. The title company was pre-arranged. I did not --  
9 I was told who we were working with.

10 Q. You've supplied the information to the title  
11 company to get the title report; that was part of your  
12 responsibilities, wasn't it, for Winterfox? Isn't that what  
13 you testified to?

14 A. Generally, yes.

15 Q. And did you do so in this case?

16 A. I was already given a title report on this home.

17 Q. Title policy. I'm sorry.

18 A. The title policy, yes. We -- we I did request  
19 that.

20 Q. Okay. Thank you. And you did review the title  
21 report for Winterfox as well --

22 A. Yes.

23 Q. -- to look at title issues?

24 And in spite of all of that, you maintain that you  
25 were not a mortgage broker. Is that correct?

TRIAL, 12/1/09

1 A. No.

2 Q. And the basis of your opinion --

3 A. Yes, that is correct. I maintain that.

4 Q. Well, okay. Yes.

5 A. I did not go shop this loan, I did not -- I was  
6 not a broker in this.

7 Q. I do understand that.

8 And your basis for determining that you are not a  
9 broker -- you have an opinion as to what a broker is and  
10 what a broker isn't. Right?

11 A. Sure.

12 Q. And what is that opinion based on?

13 A. Both in the mortgage licensing that I needed to  
14 do, you come to learn what a broker is, and a broker -- I  
15 was not acting as a broker.

16 Q. Okay. So your -- your opinion stems from some  
17 legal training that you got in getting your broker's  
18 license?

19 A. State of Utah training for and registration for  
20 the mortgage licensing.

21 Q. In -- in the trial brief that was submitted by  
22 Winterfox in this case, they discuss a case called Hodges  
23 vs. Kuhns Pontiac -- or Kuhns Buick Pontiac GMC. I want to  
24 read you a section of that and ask you to comment on it.

25 "In Hodges the Court looked at the plain and

TRIAL, 12/1/09

1 ordinary meaning of mortgage broker after recognizing that  
2 TILA does not define the term. The party alleged to be a  
3 mortgage broker in Hodges was a certified mortgage broker  
4 who contacted both parties to the transaction to discuss  
5 information necessary to complete the contract. She then  
6 drafted the contract. She obtained pre-comparable sales  
7 analysis on the borrower's home, she took the borrower's  
8 application and ordered an appraisal on his home which was  
9 the property that secured the loan. The title insurance  
10 company sent the title insurance commitment and invoice to  
11 her attention. Based on all of these activities, the Court  
12 found that she was a mortgage broker because she performed  
13 all of the duties she usually did in her capacity as a  
14 mortgage broker." And then the next sentence, "By contrast,  
15 Aaron Olivarez's involvement in the bridge loan was as a  
16 paid consultant."

17 Now, based on what I just explained from  
18 Winterfox's brief, do you see any distinction between you  
19 and the broker in Hodges?

20 MS. BOULEY: Your Honor, we'd object to this question.  
21 It calls -- it's basically just legal argument and it's  
22 calling for a legal analysis and opinion from a fact  
23 witness. He can be asked about facts, but he should not be  
24 asked to comment on a legal opinion.

25 MR. AFFLECK: Your Honor --

TRIAL, 12/1/09

1 THE COURT: Well --

2 MR. AFFLECK: -- may I respond to that?

3 THE COURT: You may.

4 MR. AFFLECK: When the question was asked to  
5 Mr. Olivarez are you a mortgage broker, I objected on the  
6 grounds that it was a legal conclusion. That objection was  
7 overruled. The question was asked and answered. I think  
8 the door is open to explore his -- the basis of his -- what  
9 I would -- what I would agree with Ms. Bouley is a legal  
10 opinion.

11 THE COURT: Do you have anything further?

12 MS. BOULEY: Yes, Your Honor. This is -- I think this  
13 is a different situation. Mr. Affleck is quoting from a  
14 case that Mr. Olivarez has not had an opportunity to see or  
15 review, and Mr. Olivarez is not an attorney and he's not  
16 here to offer a legal argument. That's more appropriately  
17 saved for closing.

18 THE COURT: All right. The objection's overruled. I  
19 think the portion of the opinion that's been read into the  
20 record contains a number of facts. If the witness can  
21 distinguish those facts, that's a factual determination.

22 You may answer the question.

23 Q. (BY MR. AFFLECK) Do you see anything that  
24 distinguishes what you did for Winterfox from what the  
25 broker in Hodges did in that case?

TRIAL, 12/1/09

1 A. A small portion. But you could also relate that  
2 to a processor, an underwriter, a title officer, an  
3 appraiser. Any of these people.

4 Q. And in this case, the Court determined that those  
5 activities made that person a broker.

6 A. In this case I was brought all of those things. I  
7 was working on the behalf of Winterfox.

8 Q. Okay. Let's go through those facts just one more  
9 time. The broker in Hodges was a certified mortgage broker.  
10 Yes or no?

11 A. Correct.

12 Q. The broker in Hodges contacted both parties to the  
13 transaction to discuss information needed to complete the  
14 contract. Yes or no?

15 THE COURT: I'm sorry. Mr. Affleck, I think your  
16 questions are very vague. You're stating something. Are  
17 you asking a question, then, of this witness?

18 MR. AFFLECK: Yes.

19 THE COURT: After the statement?

20 MR. AFFLECK: Yes.

21 THE COURT: What is -- other than just yes or no, what  
22 is it you're asking?

23 MR. AFFLECK: Okay.

24 Q. Did you contact both parties to the transaction to  
25 discuss information needed to complete the contract? Yes or

TRIAL, 12/1/09

1 no.

2 MS. BOULEY: Objection, Your Honor. Asked and  
3 answered.

4 THE COURT: The objection's overruled.

5 You may answer.

6 THE WITNESS: Again, an underwriter at Countrywide  
7 would need to --

8 Q. (BY MR. AFFLECK) If you would just answer the  
9 question --

10 A. -- contact --

11 Q. -- yes or no.

12 A. Contact -- yes. I asked for things from Brian.

13 Q. Okay. Did you draft the contracts?

14 A. I drafted the note. Or excuse me. The loan  
15 agreement.

16 Q. And isn't it also true that you -- at least in  
17 your deposition you said you drafted the note, and in your  
18 testimony today you indicated that you supplied all the  
19 information to someone else to complete the contract?

20 A. Does a broker --

21 Q. I'm just asking if you did or didn't.

22 A. Okay. Yes.

23 Q. Did you obtain pre -- a pre -- did you conduct a  
24 pre-comparable sales analysis on the Debtor's home? Did you  
25 evaluate the value of the home?

TRIAL, 12/1/09

1 A. Yes.

2 Q. Did you take the borrower's application?

3 A. No.

4 Q. But you did review it?

5 A. I reviewed it.

6 Q. The application was taken by Mr. Falk, you would  
7 say --

8 A. Correct.

9 Q. -- and then given to you?

10 You didn't order an appraisal on the home because  
11 none was ever ordered. Right?

12 A. Correct.

13 Q. But you did go --

14 A. It was ordered. I saw someone else's appraisal  
15 that was for the primary financing, the long-term financing.

16 Q. That was done in connection with getting the  
17 long-term financing, not this loan?

18 A. Correct. But it was a viable appraisal that I  
19 could look at.

20 Q. Okay. But you did evaluate the value of the home  
21 with your site visit?

22 A. Sure.

23 Q. And with respect to title insurance, you were the  
24 one who communicated with the title insurance company to  
25 make sure that title insurance was obtained for Winterfox.

TRIAL, 12/1/09

1 Correct?

2 A. Correct.

3 MR. AFFLECK: No further questions.

4 THE COURT: Do you have anything further of the  
5 witness?

6 MS. BOULEY: Yes, Your Honor.

7 THE COURT: All right.

8 **RECROSS EXAMINATION +**

9 **BY MS. BOULEY:**

10 Q. Mr. Olivarez, isn't it true that you were told by  
11 Marco -- by Michael Falk that the property had been  
12 leveraged and money put in the businesses, and that was the  
13 reason for the Washington Mutual and the Wells Fargo loans?

14 MR. AFFLECK: Objection. Hearsay.

15 MS. BOULEY: Your Honor, I'm offering it, you know,  
16 again, this was before -- it's not -- not hearsay. It's  
17 being offered to show what Mr. Olivarez understood, what he  
18 was told and the assumptions that he was relying on in  
19 evaluating this loan for Winterfox.

20 THE COURT: All right. The objection's overruled.

21 THE WITNESS: Yes. I understood at least one of those  
22 were for business purposes.

23 Q. (BY MS. BOULEY) Okay. And do you remember -- you  
24 had your deposition taken last Spring. If you could please  
25 turn to page 53 of your deposition. Just down at the bottom

TRIAL, 12/1/09

1 of page 53 starting with line 19. I'm just wondering if you  
2 recall this. You were asked, "And do you know what money  
3 that was used, what the loan was -- what that loan was  
4 obtained for?"

5 "Q If you don't know --

6 "A I really don't. My -- what I was told  
7 back then" --

8 MR. AFFLECK: Objection, Your Honor. I don't think  
9 it's the proper use of a deposition to testify for the  
10 witness. This isn't cross -- this isn't a real Cross  
11 Examination. This is an agent of Winterfox. The deposition  
12 is being read as if we were putting on here's what you  
13 testified before, let's talk about that. Let's hear what he  
14 has to testify about now, and if she wants to cross examine  
15 his testimony, she may do so; but this is not a real Cross  
16 Examination. This is simply reading a deposition into the  
17 record for the purpose of getting on affirmative evidence.

18 MS. BOULEY: Your Honor, I want to help clarify  
19 Mr. Olivarez's testimony. It's different than what he --  
20 than the way he just answered the question.

21 THE COURT: All right. So is this impeachment?

22 MS. BOULEY: Yes.

23 THE COURT: Objection's overruled.

24 Q. (BY MS. BOULEY) So, Mr. Olivarez, continuing on,  
25 "What I was told back then was that the home had been

TRIAL, 12/1/09

1 leveraged and money put into the businesses, and that's why  
2 a first and second."

3 MR. AFFLECK: Objection. Hearsay. Move to strike.

4 THE COURT: Objection's overruled.

5 MS. BOULEY: And then continuing onto the next page on  
6 54 -- well, I'll -- I'll stop there.

7 Q. So, Mr. Olivarez, do you -- do you recall that you  
8 were told that the -- both the Washington Mutual and the  
9 Wells Fargo loans were -- were needed because the property  
10 had been leveraged and money put into businesses?

11 MR. AFFLECK: Objection. Hearsay.

12 MS. BOULEY: Your Honor, it's, again, offered to show  
13 his understanding at the time.

14 THE COURT: All right. The objection's overruled.

15 THE WITNESS: Yes. That's -- that's what I understood.

16 Q. (BY MS. BOULEY) Was it your understanding from  
17 Michael Falk that all of the liens were tied into business  
18 stats, and that's why you were doing the loan for Winterfox?

19 MR. AFFLECK: Objection, leading. Objection, hearsay.  
20 Objection, relevance.

21 THE COURT: The objection is leading. Are you claiming  
22 this is a hostile witness?

23 MS. BOULEY: I'm -- I believe that this is Cross  
24 Examination for me since they have called this witness as  
25 part of their main case.

TRIAL, 12/1/09

1 THE COURT: All right. And this is not one of your  
2 witnesses, will not be one of your witnesses. Is that  
3 correct?

4 MS. BOULEY: He's on -- he's on our may-call list.

5 THE COURT: The objection's overruled.

6 THE WITNESS: My understanding that there was a  
7 tremendous amount of money that was leveraged against the  
8 house, and I would need to go back and look exactly what  
9 liens were in place. But, yes, the majority of the debt I  
10 understood to be, if not all of it, to be business oriented.

11 MS. BOULEY: Okay.

12 No further questions right now, Your Honor. Thank you.

13 THE COURT: Do you have anything further, Mr. Affleck?

14 MR. AFFLECK: Yes, Your Honor.

15 REDIRECT EXAMINATION +

16 BY MR. AFFLECK:

17 Q. Mr. Olivarez, I am confused by your testimony.  
18 Early on in the, I guess, Recross Examination you answered a  
19 question from Ms. Bouley and indicated that it was your  
20 understanding that one of the loans was for business  
21 purpose. Do you recall testifying that?

22 A. I said at least one of them was for business  
23 purpose.

24 Q. And which one was that?

25 A. At least the second. I don't know without going

TRIAL, 12/1/09

1 back and looking for sure.

2 Q. What investigation did you do to determine that?

3 A. I was just told by --

4 Q. By Michael Falk?

5 A. And Brian Kitts that there was -- the house had  
6 been leveraged. To my understanding, at one point he owned  
7 the home free and clear, and so there was money that was  
8 taken out to put into the business. Was it all taken out to  
9 put into the business?

10 Q. You don't know, do you?

11 A. That's what I was told.

12 Q. You were told that it was all taken out -- all the  
13 money that was taken out and that -- that this home was  
14 encumbered by business loans?

15 A. Well, they were residential loans, but the  
16 proceeds were used for business.

17 Q. And you're basing that testimony on what Michael  
18 Falk told you?

19 A. Michael and Brian.

20 Q. And your testimony is that Michael and Brian told  
21 you that all of the loans on the property were -- arose from  
22 a business context?

23 A. Correct.

24 Q. And when did they tell you that?

25 A. At some point during the --

TRIAL, 12/1/09

1 Q. Was it over the phone --

2 A. -- underwriting.

3 Q. -- over the phone or in person?

4 A. I don't recall.

5 Q. Was it at the meeting where --

6 A. It could have been. I know with Michael it was  
7 discussed several times on at least two occasions.

8 Q. Was it on the phone or in person?

9 A. Both.

10 Q. Was there anyone else present?

11 A. Tom Adams.

12 Q. And he's passed away. Anyone else?

13 A. Not that I know.

14 Q. Did you do anything to verify this information or  
15 just take Michael Falk's or Brian Kitts' word for it?

16 A. I think we took Michael and Brian's word for it.

17 MR. AFFLECK: No further questions.

18 THE COURT: Anything further of this witness?

19 MS. BOULEY: No, Your Honor.

20 THE COURT: All right. Sir, you may step down.

21 THE WITNESS: Thank you.

22 MR. AFFLECK: Russell Walker.

23 THE COURT: Sir, would you come forward and be sworn,  
24 please.

25 (Witness is sworn.)

TRIAL, 12/1/09

1 THE CLERK: Please take the witness stand and state  
2 your name and spell it for the record.

3 THE WITNESS: Russell Walker, W-a-l-k-e-r.

4 DIRECT EXAMINATION +

5 BY MR. AFFLECK:

6 Q. Mr. Walker, you represent Brian Kitts. Correct?

7 A. Yes.

8 Q. You're his lawyer right now, aren't you?

9 A. Correct.

10 Q. And you were his lawyer in this bankruptcy  
11 before -- or you are still his lawyer in this bankruptcy.  
12 Is that correct?

13 A. That's correct.

14 Q. And you were the one who assisted him in filing  
15 this case. Right?

16 A. Yes.

17 Q. You recall making a demand for information  
18 regarding the loan at issue in this case from Winterfox?

19 A. Yes, I do.

20 Q. And when was that?

21 A. Well, I think we filed the case, as I recall, in  
22 about April of 2005. The issue came up at the meeting of  
23 creditors, and I think it was several months later near the  
24 end of the year, probably, in 2005 I had requested  
25 specifically the truth in lending disclosures in several

TRIAL, 12/1/09

1 conversations with Mr. Jubber.

2 Q. And Mr. Jubber, is it your understanding that he  
3 was representing Winterfox?

4 A. Yes.

5 Q. What exactly, if you can remember, did you ask  
6 for?

7 A. Well, at that time we had taken a look at the loan  
8 documents it seemed, the deed in lieu of foreclosure and  
9 seen the other documents, that we were investigating whether  
10 or not there was a truth in lending violation claim, and I  
11 had spoken with Mr. Jubber in person several times and over  
12 the phone. I think we had several conversations, in which I  
13 had requested copies of those disclosures.

14 Q. And what was his response to you?

15 A. I think the first time I asked him, his response  
16 was, "I'll check with my clients and see," and then later he  
17 called me back and said yes, they had disclosures, and I  
18 said, "Can I get a copy of them?"

19 Q. And when was this? When did this conversation  
20 take place?

21 A. I'm guessing -- I don't have the exact date, but  
22 it was probably late 2005. I think, Your Honor, there's a  
23 letter in the file dated March 15, 2006, which I sent to  
24 Mr. Jubber, and it references, I think it's several months  
25 ago, I had requested copies of the documents. And so I

TRIAL, 12/1/09

1 would place it sometime Fall of 2005.

2 Q. Hold on just for a minute, Mr. Walker.

3 If you would look at Exhibit 9.

4 A. I have it.

5 Q. Is that your signature at the back of this  
6 exhibit?

7 A. Yes. I wrote this letter.

8 Q. And did you deliver this letter to Mr. Jubber?

9 A. Yeah. I had a runner deliver it.

10 Q. And this letter's dated March 15th, 2006?

11 A. That's correct.

12 Q. It indicates that "several months ago I requested"  
13 so and so.

14 A. That's correct.

15 Q. Now, does that refresh your memory as to when you  
16 first requested the documents that you're talking about; the  
17 deed in lieu of foreclosure and the truth in lending  
18 disclosures?

19 A. Yeah. My recollection was it was sometime Fall,  
20 or maybe even before that, the first time we requested in  
21 2005.

22 Q. So Mr. Jubber's initial response was we'll get  
23 them to you?

24 A. Well, I think he said that he would check with his  
25 client to see if they have them. He checked with his

TRIAL, 12/1/09

1 client. I think next time I talked to him he said, "We have  
2 those. I'll send them to you."

3 Q. Okay. And when did -- you recall when you had  
4 that conversation?

5 A. Shortly before I received the disclosures.

6 Q. Okay. Will you look at Exhibit 7 and 8. They're  
7 in several documents behind each --

8 A. Yes.

9 Q. -- exhibit tab.

10 Are those the disclosures that you received?

11 A. Yes. I think they have the Bates-stamp at the  
12 bottom WF 01, et cetera, and I believe those were the  
13 disclosures that I received from Mr. Jubber's office.

14 Q. Did you have any other conversations with  
15 Mr. Jubber about these disclosures?

16 A. Oh, I'm sure we did. My letter, Exhibit 9, goes  
17 into detail about our position regarding those disclosures;  
18 that we didn't believe that they were -- last sentence in  
19 paragraph 2. "It's clear your client's attempt to mail  
20 disclosures to my client was inadequate." I think we had  
21 several discussions about whether they were valid  
22 disclosures or not. I think we filed the lawsuit in April,  
23 shortly after we received these disclosures, claiming  
24 violations of TILA, among others.

25 Q. And to your knowledge, did Mr. Jubber, on behalf

TRIAL, 12/1/09

1 of Winterfox, ever concede that the disclosures had not been  
2 given timely or that they were not required?

3 A. I don't believe he conceded that. I think he  
4 said, "They are what they are," as I recall. We looked at  
5 them. My recollection is we received those just shortly  
6 before that March 15th letter, so I think we received it  
7 after the first part of the year in 2006. Maybe -- maybe  
8 December before. But shortly before I wrote that letter.

9 Q. No further questions.

10 THE COURT: Cross Examination.

11 MR. JUBBER: Yes, your Honor.

12 THE COURT: Mr. Jubber.

13 CROSS EXAMINATION +

14 BY MR. JUBBER:

15 Q. Mr. Walker, referring to Exhibit 9, the second  
16 sentence states "In February 2006, approximately two months  
17 after my request, you provided me certain disclosures."  
18 Correct?

19 A. Yes. That's correct.

20 Q. So, in fact, I provided those disclosures upon  
21 your request, did I not?

22 A. Yeah. It was sometime after though. It had been  
23 months, as I stated in the first paragraph, months. And  
24 your first --

25 Q. Just -- I provided them, did I not?

TRIAL, 12/1/09

1 A. Yes, you did. I think that's probably right.  
2 February 2006.

3 Q. You didn't send this letter to Winterfox, did you?

4 A. No.

5 Q. And you -- the lawsuit, this adversary proceeding,  
6 was filed very shortly after this letter, was it not?

7 A. Like I said, April -- I think the end of April  
8 '06.

9 Q. And isn't it true, Mr. Walker, that you told me in  
10 those conversations that Mr. Kitts had never received the  
11 disclosures? Isn't that true?

12 A. Yes. That's what I think I said in this letter as  
13 well.

14 Q. Thank you. Nothing further.

15 THE COURT: Both parties have referred to Exhibit 9 and  
16 read from portions of it. I don't think it's been offered  
17 or received, but I presume that since you both used it,  
18 there's no objection to the Court receiving it?

19 MR. AFFLECK: Thank you, Your Honor. We would offer it  
20 into evidence.

21 MR. JUBBER: No objection, Your Honor.

22 THE COURT: Exhibit 9+ is received. Mr. Affleck, do  
23 you have anything further of Mr. Walker?

24 MR. AFFLECK: No.

25 THE COURT: Sir, you may step down.

TRIAL, 12/1/09

1 THE WITNESS: Thank you.

2 MR. AFFLECK: Your Honor, might we -- might we take a  
3 five-minute break at this time?

4 THE COURT: All right. We'll be in recess.

5 (Recess at 3:16 p.m. until 3:27 p.m.)

6 MR. AFFLECK: Trustee calls Kent Plott.

7 THE COURT: Sir, would you come forward and be sworn,  
8 please.

9 (The witness is sworn.)

10 THE CLERK: Please take the witness stand, and state  
11 your name and spell it for the record.

12 THE WITNESS: My name is Kent Plott, P-l-o-t-t.

13 DIRECT EXAMINATION +

14 BY MR. AFFLECK:

15 Q. Good afternoon, Mr. Plott, you didn't realize you  
16 were coming to court today, did you?

17 A. I didn't. I -- I knew that I'd be coming to  
18 court, but I thought it might be Thursday morning.

19 Q. And if you had gone, you would have worn a suit  
20 and a tie, wouldn't you?

21 A. Certainly.

22 MR. AFFLECK: I'd ask the Court to forgive Mr. Plott.  
23 But you look fine --

24 THE WITNESS: Thanks.

25 MR. AFFLECK: -- notwithstanding.

TRIAL, 12/1/09

1 Q. Mr. Plott, you're an attorney?

2 A. I am.

3 Q. And you handle matters for Wells Fargo Bank. Is  
4 that correct?

5 A. Yes. Our office does.

6 Q. Foreclosure matters?

7 A. That's correct. And bankruptcy matters.

8 Q. And are you a custodian of records for Wells Fargo  
9 Bank with respect to files that you keep for them?

10 A. We are.

11 Q. There's a document in this case I'd like you to  
12 look at, Exhibit 59A.

13 May I approach the witness, Your Honor?

14 THE COURT: You may.

15 THE WITNESS: Yes.

16 Q. (BY MR. AFFLECK) You recognize this document?

17 A. I do.

18 Q. What is it?

19 A. It's a foreclosure or loan payoff quotation that  
20 was sent out from our office regarding a property at 2580  
21 Bear Drive in Park City, Utah.

22 Q. Okay. And is this a true and correct copy of the  
23 document that you keep in your office and that you have  
24 primary responsibility over as the custodian thereof?

25 A. It is.

TRIAL, 12/1/09

1 Q. And was this document prepared or made by  
2 personnel or an agent of Wells Fargo at or near the time of  
3 the occurrence, acts, conditions and events described in the  
4 document from information transmitted by a person with  
5 knowledge of those matters?

6 A. It was.

7 Q. And is this a document that is kept in the regular  
8 course of Wells' business and your business on behalf of  
9 Wells'?

10 A. It is.

11 Q. And was it made as a regular -- a regularly  
12 conducted activity and as part of a regular practice?

13 A. Yes.

14 MR. AFFLECK: Your Honor, I'd ask the Court to receive  
15 Exhibit 59A.

16 MS. BOULEY: No objection, Your Honor.

17 THE COURT: Exhibit 59A+ is received.

18 MR. AFFLECK: No further questions.

19 THE COURT: Are there any questions for this witness?

20 MS. BOULEY: No, Your Honor.

21 THE COURT: You may step down.

22 THE WITNESS: Thank you.

23 MR. AFFLECK: Thank you, Mr. Plott, for coming today.  
24 Kevin Bird.

25 THE COURT: Would you come forward and be sworn,

TRIAL, 12/1/09

1 please.

2 MR. AFFLECK: I'm sorry, Your Honor. May we call Kalex  
3 instead?

4 THE COURT: All right.

5 MR. AFFLECK: I've handed to the Court a unopened copy  
6 of the Kalex deposition that we received just this morning  
7 at about 10:30 a.m. And for this matter, Your Honor, Kalex  
8 is an out of state witness.

9 MR. MILLAR: Teleford. Brian Telford.

10 MR. AFFLECK: Mr. Brian Telford was designated as the  
11 witness for Kalex. His deposition was taken, was attended  
12 by Winterfox, and at this point, Your Honor, the Trustee has  
13 designated those portions of the deposition to be read, and  
14 at this point, Your Honor, we'd like to read that in.  
15 Mr. Millar will play the part of Mr. Millar, who took the  
16 deposition. I will play the part of Mr. Telford on the  
17 witness stand.

18 THE COURT: All right. The interior portion of the  
19 document from TSG Reporting of a deposition taken on April  
20 29th, 2009.

21 MR. MILLAR: Your Honor, with the Court's permission,  
22 there are several references to the deposition exhibits  
23 which I presume are there attached, or they're attached with  
24 or along with the deposition transcript. Is that correct?

25 THE COURT: They are.

TRIAL, 12/1/09

1 MR. MILLAR: The references within the transcript do  
2 not coincide with the trial exhibit references, and so for  
3 the convenience of the Court and for opposing counsel, I've  
4 prepared a document that shows the corresponding reference  
5 to a trial exhibit and would ask that I could note, in each  
6 instance where a deposition exhibit is referenced, the  
7 corresponding Bates page from the trial exhibit. Is that  
8 acceptable?

9 THE COURT: Yes.

10 MR. MILLAR: Would the Court like a copy of this  
11 document?

12 THE COURT: Yes, I would.

13 MR. MILLAR: May I approach the Bench?

14 THE COURT: You may.

15 Is there any objection, Ms. Bouley, to this  
16 illustrative aid?

17 MS. BOULEY: No, Your Honor.

18 THE COURT: Thank you.

19 "Q Good morning. Would you please state  
20 your name for the record.

21 "A My name is Brian Telford, T --  
22 B-r-i-a-n, T-e-l-f-o-r-d."

23 MR. MILLAR: And for the assistance of the Court,  
24 each -- each time I will indicate the page number that we  
25 are reading from so that you can flip to the appropriate

TRIAL, 12/1/09

1 page. At this point we're reading from page 7. And given  
2 that maybe the parties didn't have an opportunity to get  
3 there, I will -- I'll start over for Mr. Telford. I'm  
4 reading from page 7, line 6.

5 "Q Good morning. Would you please state  
6 your name for the record.

7 "A My name is Brian Telford.

8 "Q Brian, could you please spell your last  
9 name, please.

10 "A T as in Tom, E as -- e-l as in Larry, F  
11 as in Frank, o-r-d, D as in David.

12 MR. MILLAR: Now turning to page 13, line 9.

13 "Q And subsequent to that, were you  
14 employed?

15 "A At my present employment, Kalex  
16 Software.

17 "Q When did you start your employment  
18 there?

19 "A 1998.

20 "Q And what was your initial job title in  
21 1998 when you started?

22 "A Technical support representative.

23 "Q And what were your responsibilities as a  
24 technical support representative?

25 "A I'd troubleshoot hardware and software

TRIAL, 12/1/09

1 configuration, resolved customer -- general  
2 customer issues with the operation of the  
3 software.

4 "Q And what software are we referring to?

5 "A The Point Origination software.

6 "Q So Kalex Point software?

7 "A Correct."

8 MR. MILLAR: And over on page 15, line 1.

9 "Q So for how long -- what percentage of  
10 your time were you answering questions about Kalex  
11 Point software in 1998 when you started?

12 "A One hundred percent of the time.

13 "Q And for how long were you a technical  
14 support rep?

15 "A For two years.

16 "Q So approximately 2000 -- so until,  
17 approximately, 2000?

18 "A Correct.

19 "Q Then what did your title become in 2000?

20 "A Quality assurance analysist -- analyst.

21 "Q Can you say that again. Quality?

22 "A Quality assurance analyst.

23 "Q And you did that until when?

24 "A Did that until 2005.

25 "Q And what were your responsibilities as a

TRIAL, 12/1/09

1       quality assurance analyst from 2000 when you  
2       began -- when you began in 2000?

3       "A     I tested the software to verify proper  
4       functioning. I reported defects in the defect  
5       tracking system. I worked with other departments,  
6       such as our support department, to reproduce and  
7       resolve issues.

8       "Q     And when you say tested software, do you  
9       mean Kalex Point software?

10      "A     Yes.

11      "Q     Would you say that 100 percent of your  
12      time was devoted to Kalex Point software in 2000?

13      "A     Yes.

14      "Q     And did that at any point in time change  
15      between 2000 and 2005?

16      "A     Yes.

17      "Q     At what point -- at what point did your  
18      time -- at what point in time was your time not  
19      devoted exclusively to Kalex Point software?

20      "A     2002.

21      "Q     And at what point -- what percentage of  
22      your time was devoted -- and at that point, what  
23      percentage of your time was devoted to Kalex Point  
24      software?

25      "A     70 percent.

TRIAL, 12/1/09

1 "Q Were you aware, during your time as a  
2 quality assurance analyst, of any updates to any  
3 of the Kalex Point software forms?"

4 MS. BOULEY: Sorry, Your Honor. I'm not sure where we  
5 are now.

6 MR. MILLAR: I'm sorry.

7 MS. BOULEY: Oh. Thank you.

8 MR. MILLAR: Line 14.

9 "Q Were you aware, during your time as a  
10 quality assurance analyst, of any updates to any  
11 of the Kalex Point software forms?"

12 "A Yes.

13 "Q What was your role in, or your  
14 responsibility, in those updates?

15 "A I verified the verbiage on the form,  
16 verified the form actually points out correctly  
17 with the intended formats and no misspellings.  
18 Basically that's it. Verification of validation.

19 "Q Would you say that -- did you assist in  
20 the actual update itself?

21 "A Yes. There were times that I did.

22 "Q What did you do, and are you testifying  
23 today that you assisted in the creation of the  
24 updated form?

25 "A There were times where I assisted in the

TRIAL, 12/1/09

1 creation of an updated form because I was asked  
2 to. It wasn't my main job, but there were  
3 occasions where I was responsible for helping in  
4 the creation or update of a form.

5 "Q And what would that -- what form would  
6 that assistance take?

7 "A It would involve taking the existing  
8 form and comparing it with the form provided by  
9 the regulators or the companies that create the  
10 actual model forms, and then updating our form to  
11 match so that the form would be in compliance."

12 MR. MILLAR: Now on page 21, line 2.

13 "Q Okay. I want to -- well, let me ask you  
14 this: From after -- approximately what time in  
15 2005 did you obtain a different job title?

16 "A Approximately March or April. I don't  
17 remember exactly, but that's to the best of my  
18 recollection.

19 "Q And what was your job title at that  
20 point in time?

21 "A Functional requirements writer.

22 "Q And until what time, until what date --  
23 so you were a functional requirements writer from  
24 approximately March or April of 2005 until what  
25 date?

TRIAL, 12/1/09

1 "A Until July 2006.

2 "Q What did you do as a functional  
3 requirements writer?

4 "A I wrote software requirements. That was  
5 my main responsibility.

6 "Q For what software?

7 "A For Kalex Point.

8 "Q Can you tell us a little more about what  
9 exactly you did in terms of writing software  
10 requirements and what that means?

11 "A Writing software requirements means to  
12 take a particular feature request from our users  
13 and document or translate that request into a  
14 document that specifies every behavior of a form  
15 or a strain or a feature, and then hand that over  
16 to a software programmer, and they can actually  
17 write the code based upon that document.

18 "Q And did that responsibility that you've  
19 described, writing software requirements, did that  
20 comprise a hundred percent of your time from March  
21 or April of 2005 to July of 2006?

22 A. Yes."

23 MR. MILLAR: Turning now to page 28, line 7.

24 "Q Would you say that you are familiar with  
25 updates that have -- that Kalex has made to its

TRIAL, 12/1/09

1 Point software forms from 1998 -- excuse me --  
2 from '98 to present?

3 A. Yes."

4 MR. MILLAR: And on page 29, line 20.

5 "Q Could you distinguish between a Kalex  
6 Point software form and a form from another entity  
7 that attempts to duplicate Kalex Point software?

8 "A Yes. It would be -- to me it would be a  
9 clear distinction."

10 MR. MILLAR: Turning to page 35, line 15.

11 "Q When the "date prepared" field auto  
12 populates, what date does it enter?

13 "A It enters -- so if I were to tab in the  
14 field today, it would populate the current date  
15 that's on my computer system. So if my computer  
16 system is April 29, 2009, then it would populate  
17 4-29-09 in that field.

18 "Q When you say, "4-29-09," would it  
19 populate 04/29/09?

20 "A It would actually populate 04/29/2009  
21 would be the full string of information."

22 MR. MILLAR: Turning now to page 63, line 20. Page 63,  
23 line 20.

24 "Q Now let's talk, just for a minute, about  
25 a Kalex Point software footer. Does that footer

TRIAL, 12/1/09

1 always include the release date?

2 "A It includes the -- it includes the  
3 release date in the most recent time in which the  
4 form was updated. So if the form -- if the date  
5 in the footer says 6-06-05 and we're in 2009, if  
6 there were no updates needed between 06-05 and  
7 today, then it would still say 06-05. But in --  
8 but if in '07 we fixed an issue or we made a  
9 change for compliance, then it would -- it could  
10 say 03-07 if the release date was in March '07.

11 "Q Okay. Can a user edit a Kalex Point  
12 software footer?

13 "A No. That's not possible."  
14 MR. MILLAR: Down at line 24.

15 "Q And if there's a footer, is it correct  
16 that there will be a date in the footer?

17 "A Yes.

18 "Q And is that -- what is the format of  
19 that date?

20 "A It is always the two-digit  
21 month/two-digit year.

22 "Q And has that always been the case for  
23 each version of the Kalex Point software forms?

24 "A Yes. As far as I know, it has.

25 "Q Is it possible for a user to be looking

TRIAL, 12/1/09

1 at a Kalex Point software form on a given day, and  
2 that date in the Kalex footer precedes -- or  
3 excuse me. Let me rephrase that question. If I  
4 am inputting data into a Kalex Point software form  
5 on April of 2000, is it possible that that same  
6 form would have a Kalex footer -- have in the  
7 Kalex footer a date that is July of 2000?

8 "A No. That's not possible.

9 "Q Would it be possible, if I'm working on  
10 a Kalex form in April of 2000, for the form to  
11 have a release date of May 2000?

12 "A It is possible if they were using a Beta  
13 version of their software where they were testing  
14 the software as a Beta user in April, and because  
15 they're seeing the software in advance of everyone  
16 else, then it's possible in that case.

17 "Q And how soon, prior to the software  
18 release of a given version of the software, does  
19 Kalex release its Beta version?

20 "A Typically it's released six weeks before  
21 the -- six to eight weeks before the release  
22 date."

23 MR. MILLAR: Turning to page 82, line 20. And here  
24 there will be a string of references to Exhibit 7 and  
25 Exhibit 8.

TRIAL, 12/1/09

1           "Q     Let's turn to Exhibit 1-11 which is  
2     exhibit -- Trial Exhibit 8 at Winterfox 18. You  
3     can keep your finger in Exhibit 1-2 which is Trial  
4     Exhibit 7 at Winterfox 9 for ease in referring to  
5     that. What is this document?

6           "A     Exhibit 1-11 which is Exhibit 8 at  
7     Winterfox 18?

8           "Q     Yes.

9           "A     Do these two documents, Exhibits 1-11  
10    and 1--"

11    MR. MILLAR: Excuse me.

12    MR. AFFLECK: Oh. I'm sorry.

13    MR. MILLAR: The question -- the question is "Yes."

14           "A     It is a truth in lending disclosure, and  
15    it discloses the cost of a loan expressed in terms  
16    of an annual percentage rate.

17           "Q     And this is a Kalex Point software form?

18           "A     It is.

19           "Q     How can you tell?

20           "A     Again, it has the characteristics of a  
21    form produced out of Point with the outlined boxes  
22    for the first two annual percentage rate and  
23    finance charge, the spacing of the check boxes  
24    starting from the insurance section, and it's very  
25    Kalex characteristic.

TRIAL, 12/1/09

1           "Q     Would you be able to distinguish this  
2           form from a truth in lending disclosure statement  
3           from another entity?

4           "A     I would, yes.

5           "Q     And does it appear that this is the  
6           default font size used under 'applicant,'  
7           'property address?'

8           "A     It is, yes.

9           "Q     And do you see where it says  
10          'Application No., Kitts 3?'

11          "A     I do.

12          "Q     Does this mean that this comes from the  
13          same file as the Good Faith Estimate listed at  
14          1-12 which is Exhibit 8 of Winterfox 19?

15          "A     Yes.

16          "Q     Do these two documents, Exhibit 1-11  
17          which is Exhibit 8 at Winterfox 18 and 1-12 which  
18          is Exhibit 8 at Winterfox 19, have been printed at  
19          different times?

20          "A     Yes..

21          "Q     And do you see where it says 'Day  
22          Prepared?'

23          "A     I do.

24          "Q     What do you see in that field?

25          "A     On Exhibit 1-11 which is Exhibit 8 at

TRIAL, 12/1/09

1 Winterfox 18?

2 "Q Yes.

3 "A I see a partial number that's been  
4 whited out or something has happened to the  
5 number, but it's illegible. But it looks like it  
6 had printed, but I can't tell what happened to it.

7 "Q What number does that look like?

8 "A It looks like part of a zero.

9 "Q Would that be a zero in the same font  
10 that is used under Property Address and  
11 Application No.?

12 "A It would be the same font, because the  
13 form prints in the same font when it's printed in  
14 a print job."

15 MR. MILLAR: Turning now to page 98, line 4.

16 "Q All right. Let's turn now to Exhibit  
17 1-5 which is Trial Exhibit 7 at Winterfox 12.

18 "A Okay.

19 "Q What is the document that's represented  
20 at Exhibit 1-5 which is Exhibit 12 at Winterfox --  
21 excuse me -- which is Trial Exhibit 7 at Winterfox  
22 12?

23 "A It's a privacy policy disclosure  
24 informing the borrower of their right to opt out  
25 of information being shared.

TRIAL, 12/1/09

1 "Q And this document -- and is this  
2 document a Kalex Point software form?

3 "A It is.

4 "Q How can you tell?

5 "A With this particular form I can tell  
6 because there is no one privacy disclosure. We  
7 created a generic privacy policy disclosure, and  
8 this is definitely identifiable as ours. I  
9 recognize the wording, and, in addition, then it  
10 does have the Kalex footer at the bottom right.

11 "Q Can you read that Kalex footer into the  
12 record.

13 "A Kalex Form-Privacy 1. FRM 06/05.

14 "Q And what does the date 06-05 indicate on  
15 this form?

16 "A It indicates that the privacy -- this  
17 form was last updated in June 2005. That  
18 coincided with the release of June 2005.

19 "Q So this form is released to the public  
20 in June of 2005?

21 "A That's correct.

22 "Q Was there a Beta for this; that June  
23 2005 software release?

24 "A There was.

25 "Q When did that Beta -- when was that Beta

TRIAL, 12/1/09

1 released to users?

2 "A It would have been released in April of  
3 2005. Late April, early May.

4 "Q How do you know that?

5 "A Based on my recollection of the  
6 schedules that we had at that time.

7 "Q Were you involved in that Beta release?

8 "A I was.

9 "Q What was your involvement in that, in  
10 the Beta release?

11 "A At that point I was sort of in two  
12 worlds. I was the quality -- I was quality  
13 assurance in one respect, and then I was also  
14 functional requirements writer in another respect.  
15 At that time I was in the middle of transitioning  
16 from one position to the other, so I played both  
17 roles.

18 "Q Is it possib -- excuse me. Is it  
19 possible that a user would be using this form in  
20 February of 2005?

21 "A No. Actually, let me amend that a  
22 little bit. This privacy policy disclosure was  
23 updated in June 2005 with that release. It was  
24 not initially released in that version. So, yes,  
25 it's possible that in February 2005 somebody could

TRIAL, 12/1/09

1 have been using that, because the form was  
2 actually introduced earlier. I don't recall  
3 exactly when it was introduced, but it was  
4 introduced earlier 2000 -- during 2005 we made  
5 a -- we probably made some verbiage updates to the  
6 form based on customer requests.

7 "Q But if a user was using a privacy policy  
8 disclosure form from Kalex Point software in  
9 February of 2005, or prior, would it have the  
10 Kalex footer that this Exhibit 1-5 has, which is  
11 Exhibit 7 at Winterfox 12?

12 "A No. In February 2005 -- oh. Not in  
13 February 2005, because that would have been the  
14 earlier form. Whenever it was released in that  
15 version, I don't know when the -- what the  
16 previous date on the bottom footer was at that  
17 time, but it would not -- it could not have been  
18 June of 2005.

19 "Q The date in the Kalex footer could not  
20 have been June 2005 if a user was inputting  
21 information into this document in February of  
22 2005?

23 "A That's correct.

24 "Q Or at any time prior to February 2005?

25 "A That's correct.

TRIAL, 12/1/09

1           "Q     And is Exhibit 1-6, which is Trial  
2     Exhibit 7 at Winterfox 13, part of -- part of the  
3     privacy policy disclosure at Exhibit 1-5 which is  
4     Trial Exhibit 7 at Winterfox 12?

5           "A     Yes. This is the second page of the  
6     disclosures."

7     MR. MILLAR: Turning now to page 102, line 22.

8           "Q     Turn to Exhibit 1-13 which is Exhibit 8  
9     at Winterfox 20. If you could just keep your hand  
10    there at 1-5 which is Exhibit 7 at Winterfox 12.  
11    Do you recognize the exhibit at 1-13 which is  
12    Exhibit 8 at Winterfox 20?

13          "A     I do.

14          "Q     What is this?

15          "A     It is the same page 1 as Exhibit 1.5  
16    which is Exhibit 7 at Winterfox 12.

17          "Q     It's also a Kalex Point software form?

18          "A     It is.

19          "Q     Is there an application number?

20          "A     No. In this form there is not.

21          "Q     If you look at Exhibit 1-14, which is  
22    Exhibit 8 at Winterfox 21, do you see the loan  
23    number? It says "Kitts 3." Is that correct?

24          "A     Yes.

25          "Q     Is that the same thing as the

TRIAL, 12/1/09

1 application number?

2 "A Yes.

3 "Q Is it true that this file then -- is it  
4 true that the document represented at Exhibit 1-13  
5 which is Exhibit 8 at Winterfox 20, and 1-14  
6 Exhibit 8 at Winterfox 21, necessarily are part of  
7 the same file as other forms listed in Kitts 3?

8 "A Yes.

9 "Q And if we could backtrack to Exhibit 1-5  
10 which is Exhibit 7 at Winterfox 12, and 1-6 which  
11 is Exhibit 7 at Winterfox 13, do you see there on  
12 Exhibit 7 at 13 -- at Winterfox 13 where it says  
13 'Loan No. Kitts?'

14 "A Yes.

15 "Q What does that mean?

16 "A That means the file name in the Point  
17 software was Kitts.

18 "Q Is this document necessarily part of or  
19 in the same file as each of the other documents  
20 listed as 'Kitts' in the application number?

21 "A Yes.

22 "Q Looking at Exhibit 1-13 and 1-14, which  
23 are trial Exhibit 8 at Winterfox 20 and 21, does  
24 this appear to be the same version or does this  
25 appear to come from the same software version as

TRIAL, 12/1/09

1 that listed at 1-5 and 1-6 which is Exhibit 7 at  
2 Winterfox 12 and 13?

3 "A Yes, it does."

4 MR. MILLAR: Going over to page 105, line 1.

5 "Q At the bottom of Exhibit 1-13, which is  
6 Exhibit 8 at Winterfox 20, you see the Kalex  
7 footer?

8 "A I do.

9 "Q And the footer says "0605." Is that  
10 correct?

11 "A That's correct.

12 "Q When was this document released to the  
13 public?

14 "A It was released in the 5.3 release in  
15 June of 2005 point version 5.3.

16 "Q When was the Beta released for that, for  
17 this form?

18 "A Late April, early May of 2005.

19 "Q Could you explain how a user could be  
20 accessing this form prior to the release of the  
21 Beta in late April or early 2005?

22 "A Well, they can't access the form in the  
23 version that this update was released in, but the  
24 form existed in previous versions.

25 "Q Okay. So you could have a user -- so a

TRIAL, 12/1/09

1 user could have -- could have -- excuse me -- so  
2 could a user have accessed the version of the form  
3 that you see represented at Exhibit 1-13, which is  
4 Exhibit 8 at Winterfox 20, and 1-14, which is  
5 Exhibit 8 at Winterfox 21, at any time prior to  
6 March of 2005?

7 "A No. I don't see how that's possible."

8 MR. MILLAR: No further questions, Your Honor.

9 THE COURT: Counsel, do you have questions for the  
10 witness or additions from the deposition?

11 Mr. Affleck, wait a minute.

12 MS. BOULEY: I'm sorry, Your Honor. Your Honor, we  
13 didn't -- we were not informed of which portions of this  
14 deposition they were going to read into the record prior to  
15 this just happening, so I would like to request that I have  
16 an opportunity to review the rest of the deposition to see  
17 if there's anything we would like to read from.

18 THE COURT: Right now? Or --

19 MS. BOULEY: No. I could do it --

20 THE COURT: -- at some point in the future?

21 MS. BOULEY: I mean, I could do it this evening and  
22 read it in on Thursday or, you know, whatever the Court  
23 would prefer.

24 THE COURT: All right. Do you have any objection to  
25 that, Mr. Affleck?

TRIAL, 12/1/09

1 MR. AFFLECK: No, I don't, Your Honor.

2 THE COURT: All right. We'll save any additions that  
3 the Defendant may wish to read into the record to make the  
4 record complete until a subsequent hearing. So you may step  
5 down now.

6 MS. BOULEY: Thank you, Your Honor.

7 MR. AFFLECK: Your Honor, at this point I'd like to  
8 revisit the issue of Exhibit 60. It is Trustee's  
9 contention, Your Honor, that that exhibit has been  
10 stipulated to by Winterfox, and I think they've probably had  
11 a chance to confirm that, and I'd like to offer that at this  
12 point.

13 Perhaps while we're waiting, Your Honor, again for  
14 this, we can look at Exhibit 68 which is Daily Treasury  
15 Yield Curve rates beginning in January of 2004. We would  
16 ask the Court to receive judicial notice of the information  
17 contained in that document that was taken from the Internet  
18 and -- an Internet site and indicates the treasury yields.

19 MS. BOULEY: Your Honor, we'd object on the basis of  
20 authenticity and foundation for the document on the treasury  
21 yields. As far as Exhibit 60, I indicated to Mr. Millar  
22 that I would look at that tonight. It's not part of our  
23 formal stipulation here as there may be something on my  
24 e-mail since yesterday. But, again, I'm limited to trial  
25 preparation and have not been able today to stop and look at

TRIAL, 12/1/09

1 what was sent to me on the e-mail, so I'll have to look at  
2 the Exhibit 60 tonight.

3 MR. AFFLECK: Your Honor, and I would just submit that  
4 this document is a document from the U.S. Treasury.

5 THE COURT: All right. We're not on 60.

6 MR. AFFLECK: 68.

7 THE COURT: No. We're on 60.

8 MR. AFFLECK: Oh. We're on --

9 THE COURT: All right. So --

10 MR. AFFLECK: Oh. Sorry.

11 THE COURT: -- we're going to defer Exhibit 60 until  
12 counsel's had an opportunity to review whether there was a  
13 commitment to stipulate to its admissibility.

14 MR. AFFLECK: All right, Your Honor.

15 THE COURT: All right. If you got an e-mail, send it  
16 again. All right.

17 MS. BOULEY: I'm sorry, Your Honor. Mr. Millar has  
18 just pointed out to me that I guess it is part of our --

19 THE COURT: I'm -- I'm sorry. You're going to have to  
20 speak into the mike.

21 MS. BOULEY: Okay. Certainly. Mr. Millar has pointed  
22 out that it looks like the Wamu has and is part of our  
23 stipulation, so I apologize. He must have been talking to  
24 me about something else. So Exhibit 60 is part of the  
25 stipulation.

TRIAL, 12/1/09

1 THE COURT: All right. And Exhibit T60 is a document  
2 on the letterhead of Skalley & Reading. We all have the  
3 same document?

4 MS. BOULEY: Yes. I believe so.

5 MR. AFFLECK: Yes, Your Honor.

6 MS. BOULEY: I'm sorry. Did you ask me a question?

7 THE COURT: I just want to make sure that everybody is  
8 be on the same document, and that everyone is agreeing that  
9 this is coming in by stipulation. It's a document on the  
10 letterhead of Skalley & Reading.

11 MS. BOULEY: Yes, Your Honor.

12 THE COURT: All right. Exhibit T60+ is received.

13 MR. AFFLECK: We ask the Court to receive Exhibit 68,  
14 T68.

15 THE COURT: All right. And the objection is lack of  
16 foundation? Is that it?

17 MS. BOULEY: Yes, Your Honor. Authenticity and  
18 foundation. I don't know that this printout, again, is  
19 authentic. We don't know that foundation has been  
20 established for it. I don't know that this is an official  
21 or accurate list of the daily treasury yield curve rates.

22 MR. AFFLECK: We would ask the Court to take judicial  
23 notice of this document as a copy of a document  
24 maintained -- an electronic document maintained by the  
25 United States Government containing the daily treasury --

TRIAL, 12/1/09

1 treasury yield curve rates.

2 THE COURT: Judicial notice of a web page.

3 MR. AFFLECK: Or you can take judicial notice of a fact  
4 that is easily proveable, that is out there. And I believe  
5 it is appropriate in this case where these are -- this is a  
6 information maintained by the government, it's easily  
7 verifiable, that the Court may take judicial notice of it.

8 THE COURT: All right. Ms. Bouley, I don't really see  
9 a way that this is impeachable at this point.

10 If foundation is an issue, Mr. Affleck, can you make a  
11 proffer regarding who it was that --

12 MR. AFFLECK: Yes. I'll make a proffer that Mr. Aaron  
13 Millar printed this off of the website shown at the bottom  
14 of the page on 8-14-2009. And Mr. Millar is, of course --  
15 oh, wait a minute. I'm sorry, Your Honor. It was Nancy  
16 Pershon who printed it out, who is also in the courtroom  
17 today and could testify.

18 THE COURT: Is there any objection to the proffer  
19 desire to cross examine?

20 MS. BOULEY: No, Your Honor.

21 THE COURT: All right. The proffer is accepted. T68  
22 is received.+

23 MR. AFFLECK: I would ask the Court at this point to  
24 receive Exhibits 4, 5 and 6 which are proofs of claim filed  
25 by Winterfox in this bankruptcy case.

TRIAL, 12/1/09

1 MS. BOULEY: And, Your Honor, we object on the grounds  
2 of, first of all, hearsay and, secondly, relevancy. I don't  
3 see how Winterfox's proofs of claim in the bankruptcy are  
4 relevant to this adversary proceeding where the claim is for  
5 damages. Those two are completely separate.

6 THE COURT: All right. What fact are you trying to  
7 prove?

8 MR. AFFLECK: We're just trying to prove the fact of --  
9 of what Winterfox is claiming in this case in the -- for its  
10 Proof of Claim.

11 THE COURT: For --

12 MR. AFFLECK: The principal amount.

13 THE COURT: For what purpose?

14 MR. AFFLECK: For foundational purposes for closing  
15 argument to describe what it is that they are seeking from  
16 this bankruptcy estate in the nature of finance charges,  
17 interest, so forth. And we would submit that the documents  
18 are an admission of Winterfox as to what it claims.

19 MS. BOULEY: Your Honor, the Court's already excluded  
20 interest on this matter and, again, this is a stand-alone  
21 claim for damages against Winterfox. It has nothing to do  
22 with Winterfox. It does not affect the validity of the note  
23 or the trust deed that is the subject of the Proof of Claim  
24 in the bankruptcy.

25 THE COURT: I'm having a hard time seeing why the

TRIAL, 12/1/09

1 Proofs of Claim of the creditors seeking funds from the  
2 Estate, what that has to do with the Estate's claim in this  
3 adversary proceeding.

4 MR. AFFLECK: The Estate's claim in this adversary  
5 proceeding under 1640, as this Court has recognized, there  
6 are four categories of damages. Actual damages, statutory  
7 damages, attorneys' fees, and finance charges. The Court  
8 has determined that finance charges will be based on  
9 whatever evidence we have of what was paid in finance  
10 charges, and there will be no damages of finance charges  
11 that have not been paid but have been claimed. However, the  
12 Trustee asserts that under TILA, to the extent the Court  
13 determines that there was a TILA violation in this case, the  
14 Estate should not have to pay the interest, finance charges  
15 and so forth that Winterfox is still claiming against this  
16 Estate.

17 THE COURT: Well, are you claiming that through these  
18 documents there is a calculation that's relevant to the  
19 claims here?

20 MR. AFFLECK: The calculation of the interest,  
21 obviously we're not seeking payment of interest in  
22 affirmative relief as damages that has not been paid. What  
23 we are seeking is to avoid the obligation to pay them. So  
24 it's only for the purpose of establishing what it is that  
25 Winterfox is seeking.

TRIAL, 12/1/09

1 THE COURT: Counsel, do you have anything?

2 MS. BOULEY: Your Honor -- oh. I'm sorry.

3 THE COURT: Do you have anything further?

4 MS. BOULEY: Yes, Your Honor. As I understood your  
5 ruling this morning, you've already ruled that the Trustee  
6 is not entitled to interest as part of -- as part of his  
7 damages in this adversary proceeding. And, again, it's a  
8 stand-alone damages claim under TILA. It's not tied to the  
9 Proof of Claim.

10 THE COURT: All right. I'm going to receive the  
11 documents, but only for the limited purpose as set forth on  
12 the record.

13 MR. AFFLECK: Thank you, Your Honor.

14 THE COURT: There -- there's nothing in this Proof of  
15 Claim or in this case that deals with offset or -- in fact,  
16 that was specifically excluded. So Exhibits 4, 5 and 6+ are  
17 received with that limitation.

18 MR. AFFLECK: Thank you, Your Honor. The Trustee would  
19 call Brian Kitts.

20 THE COURT: Sir, would you come forward and be sworn,  
21 please.

22 (The witness is sworn.)

23 THE CLERK: Please take the witness stand, and state  
24 and state your name and spell it for the record.

25 THE WITNESS: My name is Brian Kitts. B-r-i-a-n,

TRIAL, 12/1/09

1 K-i-t-t-s.

2 DIRECT EXAMINATION +

3 BY MR. AFFLECK:

4 Q. Where do you currently reside, Mr. Kitts?

5 A. 2580 Bear Hollow Drive in Park City.

6 Q. When did you purchase that home?

7 A. November 1998.

8 Q. Did you pay cash for it or finance it?

9 A. It was a down payment, and the balance was owner  
10 financed.

11 Q. Did you take legal title in your name or in the  
12 name of another?

13 A. In my name.

14 Q. Were you married at the time you bought the  
15 residence?

16 A. No.

17 Q. When were you -- when did you become married?

18 A. May 26, 2000.

19 Q. And who did you marry?

20 A. My wife, Laurie.

21 Q. Are there any children between you?

22 A. Between us, no.

23 Q. Are there any children that came into this  
24 marriage from previous marriages?

25 A. Yes. I have two, and they're both adults, and

TRIAL, 12/1/09

1 Laurie had three at the time. 15, 5, and 3 years old. 15,  
2 6 and 3 years old.

3 Q. So since your marriage to Laurie and bringing  
4 together this family, have you resided anywhere else than  
5 the home at Bear Hollow Drive since that time?

6 A. Since we bought the home, no.

7 Q. When you purchased the home, you said you took  
8 legal title in your name. Did you subsequently change who  
9 held legal title?

10 A. Yes.

11 Q. And in whose names has legal title to the property  
12 been held in?

13 A. It's been in my name, it's been in our holding  
14 company's name, Sun Peak Holdings, and I do believe it's  
15 been in my wife's name, solely my wife's name, at some  
16 point.

17 Q. What is Sun Peak Holdings?

18 A. It is a company that is owned by my wife and I  
19 wholly. We just have it as a holding company just for  
20 ourselves.

21 Q. And what are the -- do you -- is it an LLC or a  
22 corporation?

23 A. It was a corporation.

24 Q. And you say you and your wife are owners. In what  
25 percentages?

TRIAL, 12/1/09

1 A. 50-50.

2 Q. In connection with the changes of title, you  
3 mentioned that it's been changed to your name, Laurie's  
4 name, Brian and Laurie together, and Sun Peak Holdings?

5 A. Correct.

6 Q. In any of those circumstances where legal title  
7 changed, was there any money that changed hands in  
8 connection with those changes?

9 A. No. Are you referring to between Sun Peak and  
10 ourselves?

11 Q. Yeah.

12 A. No.

13 Q. Why was legal title to the property put in  
14 Laurie's name or your joint names from time to time?

15 A. For -- whenever we refinanced the home, the -- the  
16 lender would require that we had legal title to the -- to  
17 the home. And so at the time of closing, we would quit deed  
18 it out of Sun Peak into either my name or my wife's or both  
19 of ours, sign the documents, and then quit deed it back.

20 Q. Okay. Did someone advise you to do that?

21 A. Yes. At the time I was involved in a  
22 publicly-traded company as an officer and director, and it  
23 was an attorney that suggested that we just take our home  
24 and put it in a holding company, even though we owned a  
25 hundred percent of the company, as he described it, just as

TRIAL, 12/1/09

1 a shield. And, you know, I mean, that could be easily  
2 broken because we were the only two shareholders in the  
3 company.

4 Q. Has your home ever been used as a rental property?

5 A. Well, during the Olympics we were given an  
6 opportunity to rent our home out to Shell Canada, and that  
7 was done through Caldwell Banker. And our broker, ++Marney  
8 Schlope, and her husband, Kent, approached us and said that  
9 they could possibly have somebody that would rent the home  
10 during the Olympics, and so we signed up. And 9/11 came  
11 around, and a lot of corporations canceled their visits to  
12 Park City because of what happened that day. And we got  
13 paid for the 29 -- 21 nights they were supposed to stay  
14 there, but nobody ever stayed in the house. It was empty.

15 Q. And was this contract between you and the entity  
16 or between Sun Peak and the entity?

17 A. I do believe it was between myself and Caldwell  
18 Banker.

19 Q. Let's fast forward to December 2004. What was  
20 happening with the house?

21 A. If we could just back up a bit to the summer or  
22 the spring of 2004 --

23 MS. BOULEY: Objection, Your Honor. The witness -- we  
24 request the witness be asked to answer the question.

25 THE COURT: Sir, if you just answer the question that

TRIAL, 12/1/09

1 Mr. Affleck asks, please.

2 THE WITNESS: Okay. How can I put this? Leading up to  
3 December of 2004, I had a broker who I had worked with for  
4 several years.

5 Q. (BY MR. AFFLECK) You can -- Mr. Kitts, you can  
6 just answer my question. What was happening with the house  
7 in 2004?

8 A. Oh. Okay. Just be specific. There was two  
9 foreclosure notices and a -- and a lien, a judgment. The  
10 two foreclosure notices were from Washington Mutual and from  
11 Wells Fargo Bank, and the -- the judgment was from Ed Ingram  
12 Construction.

13 Q. Okay. And how close were those creditors to  
14 actually foreclosing and getting to a foreclosure sale? Do  
15 you recall?

16 A. I don't recall exactly how close, but I do know  
17 that at least one of them, I think, would have been in the  
18 month of December.

19 Q. Would you turn to Exhibit 50. This is a Notice of  
20 Default and Election To Sell from Wells Fargo Bank. It has  
21 been received into evidence. Does this refresh your  
22 recollection as to the timing of the impending foreclosure  
23 for Wells Fargo?

24 A. Yes.

25 Q. And what is your recollection?

TRIAL, 12/1/09

1 A. This looks like it was filed on -- on September  
2 6th. Correct?

3 Q. I read September 16th, sir.

4 A. Okay. Down here. Okay. Sorry. On the first  
5 paragraph it says September 6. So September 16th.

6 Q. Does this refresh your recollection about the  
7 timing of the foreclosure sale on the Wells Fargo lien?

8 A. Yes.

9 Q. And how is your recollection refreshed on that  
10 issue?

11 A. I -- I -- I -- I knew that a sale was very close  
12 to happening.

13 Q. Okay.

14 A. I can't tell you exactly how many days, but I knew  
15 it was urgent to -- to close a mortgage, get refinancing.

16 Q. And Exhibit 51, if you'd take a look at that,  
17 that's also been received into evidence. Were you aware  
18 that Washington Mutual had also filed a Notice of Default on  
19 November 4th, 2004?

20 A. Yes.

21 Q. Or, I should say, recorded a Notice of Default.  
22 Was it important to you to stop these  
23 foreclosures?

24 A. Yes.

25 Q. What was your strategy to address these liens and

TRIAL, 12/1/09

1 address these foreclosures?

2 A. I had been working with a mortgage broker by the  
3 name of Michael Falk for several years, and we had received,  
4 what would you call it, an approval on a mortgage back in  
5 June of '04 that would have refinanced all of the existing  
6 liens against the property in one jumbo loan. And the  
7 condition was that I had to come out of a Chapter 13, which  
8 I did during the month of June. And the next day there was  
9 two individuals LaVon Koshkarian and Max VonApp that filed a  
10 lis pendens against the property. So I had to take care of  
11 that.

12 Russ Walker my attorney, worked with me on that,  
13 and we had that satisfied by the -- I'd say by mid  
14 September. And Michael Falk went back to the bank at that  
15 point, it was an out-of-state bank, and they were no longer  
16 doing jumbo loans, so he had to start from ground up and  
17 find a, you know, find a new mortgage for me.

18 Q. Okay. So you had attempted to obtain conventional  
19 loans, you were thwarted in that effort; and what time  
20 period was this we're talking about? Is this --

21 A. We're talking April '04 through to the mid -- mid  
22 September of '04. At that point, when he knew that the --  
23 the mortgage commitment we had had gone away because of the  
24 bank's position on jumbo loans, he immediately started  
25 looking for another loan and continually assured me that --

TRIAL, 12/1/09

1 that he would be able to close it because nothing had  
2 changed, you know, at all in the circumstances, and he  
3 didn't feel it was going to be a problem at all to get  
4 conventional financing for me.

5 Q. Was Mr. Falk able to find conventional financing  
6 for you in -- are you talking about in September, October,  
7 November?

8 A. In -- in hindsight, what I realize now, he had a  
9 tremendous amount of problems going on in his personal life.

10 MS. BOULEY: Objection. Nonresponsive.

11 THE COURT: Sustained.

12 MS. BOULEY: Move to strike.

13 THE COURT: Sustained.

14 Q. (BY MR. AFFLECK) Was he able to do that? Was he  
15 able to get a conventional --

16 A. Unfortunately not.

17 Q. Do you understand why he was unable to do so?

18 A. I don't think he was focused on the task.

19 Q. And why do you think that?

20 A. Because of problems he was having at home in his  
21 personal life.

22 Q. And did there come a point where you asked  
23 Mr. Falk to find non-conventional financing for you?

24 A. No. He came to me with the proposal.

25 Q. Okay. When you initially -- when did you

TRIAL, 12/1/09

1 initially retain Mr. Falk to help you refinance this  
2 property?

3 A. Are you asking when I first started working with  
4 him?

5 Q. Yeah. To address these --

6 A. Oh. These issues?

7 Q. These loans. Wells Fargo, Washington Mutual.

8 A. It would have been spring of '04 is when I -- we  
9 first started looking at it.

10 Q. Okay. Did you supply him with information to  
11 assist him in finding a loan for you?

12 A. Because it was a conventional mortgage, yes, I  
13 would have.

14 Q. And did you -- what did you supply him with, if  
15 you can remember?

16 A. It would have been a list of assets versus  
17 liabilities. That is basically all it is.

18 Q. Okay. And do you have a copy of that, of what you  
19 gave him?

20 A. No.

21 Q. Did you -- you were in court today when  
22 Mr. Olivarez testified about a loan package, weren't you?

23 A. Right.

24 Q. He testified about a credit report, a Uniform Loan  
25 Application, appraisals and other items that were in a loan

TRIAL, 12/1/09

1 package. Did you supply the information for that loan  
2 package?

3 A. The -- the uniform -- what are the first one  
4 you --

5 Q. It was an application, Uniform Application for a  
6 loan.

7 A. Yeah. The Uniform Application I would have filled  
8 out by hand and given it to him, and he probably would have  
9 typed it up based on my information. The appraisal -- he  
10 ordered the appraisal, and I paid for the appraisal. I do  
11 still have a copy of that I think. What were the other  
12 items?

13 Q. I think he testified about a credit report, taxes,  
14 appraisals.

15 A. He would have -- he would have obtained the credit  
16 report himself with my authorization; and as far as tax  
17 returns, I'm not sure if I supplied those to him.

18 Q. Did you supply him with any information regarding  
19 Sun Peak's assets and liabilities?

20 A. No.

21 Q. Did you authorize Mr. Falk to share the  
22 information in the loan package with third parties?

23 A. Yes.

24 Q. To your recollection, did the loan application  
25 indicate your purpose for seeking a loan?

TRIAL, 12/1/09

1 A. It would have indicated that it was a refinance.

2 Q. Anything else on the -- that you recall on the  
3 purpose of the loan?

4 A. No.

5 Q. Do you recall whether the application indicated  
6 that the property was your residence?

7 A. I don't know whether it would have indicated that.

8 Q. How did you become acquainted with Winterfox?

9 A. Michael approached me at the end of November  
10 telling me that he needed more time to close on a  
11 conventional mortgage, and he said that he needed to bring  
12 in a hard-money lender for a very brief period of time, and  
13 he had somebody in mind. He set up a meeting, and Thomas  
14 Adams, Thomas Adams' son, Aaron Olivarez and Michael Falk  
15 came to my home. My wife was there. Then we did a quick  
16 tour around the house, and then sat in the living room and  
17 just discussed what I needed.

18 Michael insisted that he only needed the money for  
19 a very short period of time, and my response was just  
20 absolutely no way. We need this for at least six months or  
21 I'm not interested, because Michael's pattern up to that  
22 point --

23 MS. BOULEY: Objection, Your Honor. This is going  
24 beyond the scope of the question.

25 THE COURT: It is. Sustained.

TRIAL, 12/1/09

1 MS. BOULEY: Move to strike.

2 THE COURT: I don't know how far back to go. That's  
3 denied.

4 Q. (BY MR. AFFLECK) So you became acquainted with  
5 Winterfox through Michael Falk?

6 A. Yes.

7 Q. And Winterfox eventually made two loans to you.  
8 Isn't that right?

9 A. Yes.

10 Q. One on December 8th for 1,350,000, another one a  
11 few weeks later, December 31st, for \$39,603.47. Is that  
12 correct?

13 A. Yes.

14 Q. Now, we've looked at some notes in this case which  
15 are Exhibits 1 and Exhibits 2, if you'd take a look at  
16 those. You see those documents?

17 A. Yes.

18 Q. In Exhibit 1, the second page is the trust deed  
19 note. In paragraph 3 it describes a deed in lieu of  
20 foreclosure. Do you recall signing that deed in lieu of  
21 foreclosure in connection with this first note?

22 A. No, I don't.

23 Q. The second trust deed note or second -- Exhibit 2  
24 and the second trust deed note is two pages after the first  
25 page, that also indicates a deed in lieu of foreclosure. Do

TRIAL, 12/1/09

1 you recall signing a deed in lieu of foreclosure for this  
2 note?

3 A. Actually, I don't recall signing it. And I'm  
4 trying to remember if somebody -- if somebody showed me the  
5 deed at my deposition, but I'm not sure. The deed in lieu  
6 of foreclosure. But prior to that, if I had signed it, I --  
7 I, you know, I never had a copy of it.

8 Q. Okay. Now, these loans indicate that the deed in  
9 lieu of foreclosure, and I think we've established that the  
10 default date was February 21st, 2005. You didn't pay these  
11 loans by that date, did you?

12 A. No.

13 Q. And Exhibit 3. That's an addendum that was signed  
14 by you that extended the period of the first two notes.  
15 Correct?

16 A. Yes.

17 Q. And in this document, this document also  
18 references in paragraph 4 another deed in lieu of  
19 foreclosure. And I would like you to look at Exhibit 64.  
20 You see that document?

21 A. Yes.

22 Q. You recall -- you recall signing this document?

23 A. Hold on for a second. It looks like my signature.

24 Q. Okay. And this document is dated February 24th,  
25 2005. Is that your recollection of when it was signed?

TRIAL, 12/1/09

1 A. That's what it -- that's what it says.

2 Q. Now, this addendum extended the due date of the  
3 loans to March 21st. You didn't pay those loans by March  
4 21st either, did you?

5 A. No, I did not.

6 Q. Did anyone at Winterfox contact you after March  
7 21st about your failure to pay?

8 A. At the end of March, possibly the very, very  
9 beginning of April on a --

10 Q. And who contacted you?

11 A. It was Aaron Olivarez came to my door. He did not  
12 have my phone number, and he could not get a hold of  
13 Michael.

14 Q. Okay. And did you have a conversation with  
15 Mr. Olivarez at that time?

16 A. Yes.

17 Q. And what was the conversation?

18 A. He expressed --

19 MS. BOULEY: Objection. Hearsay.

20 MR. AFFLECK: Your Honor, we have had a lot of evidence  
21 come in about Mr. Olivarez's understanding of facts at issue  
22 in this case based on what Mr. Kitts has told him. I think  
23 it comes in for the same reasons that Mr. Olivarez's  
24 testimony has come in. To establish what Mr. Olivarez's  
25 understanding may have been regarding the facts.

TRIAL, 12/1/09

1 THE COURT: It's still hearsay. Do you have some  
2 exception? Tell me what the exception is.

3 MR. AFFLECK: Yes. It's coming in to establish  
4 Mr. Olivarez's understanding and to impeach him as well.

5 THE COURT: Well, that's not an exception. The  
6 objection's sustained.

7 Q. (BY MR. AFFLECK) So you had a conversation with  
8 Mr. Olivarez?

9 A. Yes.

10 Q. Do you remember what the topic of the conversation  
11 was?

12 MS. BOULEY: Objection. Hearsay.

13 MR. AFFLECK: I do have one more response to that, Your  
14 Honor.

15 THE COURT: All right.

16 MR. AFFLECK: I think Mr. Olivarez was working in the  
17 scope of his employment through -- or consulting  
18 arrangement, whatever you want to call it, for Winterfox,  
19 and, therefore, it comes in -- whatever Mr. Olivarez comes  
20 in comes as -- comes in as an admission of -- of an agent  
21 for Winterfox.

22 MS. BOULEY: And, Your Honor, that foundation has not  
23 been laid. It was not addressed with Mr. Olivarez and it's  
24 not been established that he was acting within the scope of  
25 his employment at this point in time.

TRIAL, 12/1/09

1 MR. AFFLECK: Mr. --

2 MS. BOULEY: -- wasn't there at the time.

3 THE COURT: After the loan?

4 MS. BOULEY: Right. That he was at Mr. Kitts' place of  
5 his, you know, on the -- at the behest of Winterfox.

6 THE COURT: I'm going to overrule the objection.

7 MR. AFFLECK: Okay.

8 THE COURT: You may answer.

9 Q. (BY MR. AFFLECK) Tell me -- tell me about your  
10 conversation with Mr. Olivarez.

11 A. He was concerned that he couldn't get a hold of  
12 Michael. He was concerned about the status of conventional  
13 financing that Michael was supposed to be working on. I  
14 expressed that I was equally concerned. We started talking  
15 about his drag racing career. When I was a teenager, I used  
16 to drag race motorcycles. And we got off track onto that,  
17 came back to -- I asked him if he would be able to find me  
18 conventional financing.

19 He said he had an agreement with Winterfox and  
20 could not do that, and he couldn't bring a loan anywhere  
21 else, and he gave me the name of Lynn Spafford, a mortgage  
22 broker that he knew. And I don't remember whether he gave  
23 me the phone number at that time, called me back with it, or  
24 had Lynn call me, but a short time after that, I started  
25 working with Lynn to obtain conventional financing.

TRIAL, 12/1/09

1 MS. BOULEY: Your Honor, we move to strike that answer  
2 as hearsay. Sorry. It's the same as hearsay. That goes  
3 beyond the scope of the question which was just the  
4 substance, the general substance of the conversation.

5 THE COURT: It does go beyond the scope, so --

6 MR. AFFLECK: Is Your Honor striking the entire answer?

7 THE COURT: It's late --

8 MR. AFFLECK: I could ask --

9 THE COURT: -- coming in, so I don't -- I don't know  
10 where to strike.

11 MR. AFFLECK: I could ask the question again.

12 THE COURT: All right.

13 MR. AFFLECK: If you'd like.

14 Q. This time in your answer, let's not talk about the  
15 motorcycles or Mr. Spafford. What was Mr. Olivarez --

16 MS. BOULEY: Objection, Your Honor. Counsel's  
17 instructing the witness how to answer.

18 THE COURT: The objection's overruled. He's just  
19 trying to get the witness to be responsive.

20 Q. (BY MR. AFFLECK) Well, just tell me what Aaron  
21 Olivarez had to say about the Winterfox loan that was in  
22 default at that point.

23 A. He was concerned about the status of refinancing,  
24 he was concerned about the fact that he couldn't reach  
25 Michael, and was wondering what we were going to do to solve

TRIAL, 12/1/09

1 the problem.

2 Q. Okay. And what did you tell him you were going to  
3 do?

4 A. Seek other financing.

5 Q. All right. And did you seek other financing  
6 through Michael Falk?

7 A. Yes. No. Not through Michael Falk.

8 Q. Through others?

9 A. Through others.

10 Q. And would that other person be Lynn Spafford?

11 A. Yes.

12 Q. Okay. And was Mr. Spafford able to find a new  
13 loan for you?

14 A. Yes.

15 Q. Did you close on that new loan?

16 A. We had approvals in April. I don't remember the  
17 exact date of the bankruptcy filing. Was it May 4th?

18 Q. I believe it was early May.

19 A. Yeah. May 4th. So by the end of April, we had  
20 approvals subject to a few conditions that were easy to  
21 remedy. That was getting towards the end of April. I -- I  
22 received a phone call from Aaron's partner, and I don't  
23 remember her name. I never remember her name.

24 Q. Marco Fields?

25 A. Marco Fields. And she was quite irate on the

TRIAL, 12/1/09

1 phone.

2 Q. Okay. Hold on a second, Mr. Kitts. Let's focus  
3 on this phone call. When did this phone call with Marco  
4 Fields occur?

5 A. It would have been in April.

6 Q. Who called whom?

7 A. She called me.

8 Q. Did she represent that she was calling on behalf  
9 of Winterfox?

10 A. Yes.

11 Q. So what did she want? What did she tell you?

12 A. She basically was just threatening that they were  
13 going to close -- they were going to file their deed in lieu  
14 of foreclosure that they had if I did not come up with new  
15 financing. And I explained that we had two or three loans  
16 that were approved subject to certain conditions, but I  
17 would not be able to get it done within the time frame that  
18 she was specifying which was right now. And I went and saw  
19 my attorney, Russ, explained the situation, and because they  
20 kept on saying they had this deed in lieu of foreclosure,  
21 Russ suggested that I just file for Chapter 11.

22 Q. And is that, in fact, what you did?

23 A. Yes.

24 Q. When you hired Michael Falk to find you a loan on  
25 this property, and I think you said it was Spring of '04?

TRIAL, 12/1/09

1 A. Yes.

2 Q. The property was titled in Sun Peak, wasn't it?

3 A. I'd have to look. It could have been, yes.

4 Q. Isn't it also true that legal title to the home  
5 was in Sun Peak's name right up to the moment that you got  
6 this loan from Winterfox?

7 A. Yes.

8 Q. Why were you seeking a personal loan instead of a  
9 loan on behalf of Sun Peak?

10 A. The documentation that was put in front of me --

11 Q. I said why, not how.

12 A. Oh.

13 Q. Why weren't you --

14 A. Because it's our personal residence. It's our --  
15 it's our home.

16 Q. And the documentation that you signed, the trust  
17 deed notes, were those with you personally?

18 A. Yes.

19 Q. And the trust deeds on the property, those  
20 indicated that you were the title holder, didn't it?

21 A. Yes.

22 Q. Did you ever have any discussions with anyone to  
23 the effect that the loan and trust deeds should be done in  
24 Sun Peak's name?

25 A. No.

TRIAL, 12/1/09

1 Q. Today we heard testimony from Mr. Olivarez that  
2 you told him that you wanted these -- this new loan from  
3 Winterfox to pay off foreclosing liens that were incurred  
4 for business purposes. Did you hear that testimony today?

5 A. I heard that.

6 Q. Is his testimony correct?

7 A. No.

8 Q. Did you have discussions with Mr. Olivarez  
9 regarding the purpose of the loan?

10 A. To refinance the existing loans on the house.

11 Q. And did you have conversations with him about the  
12 nature of those existing loans?

13 A. No.

14 Q. None at all?

15 A. No. Other than the fact that it was a Washington  
16 Mutual loan, a Wells Fargo home equity line of credit, and  
17 the -- the loan -- or the judgment from Ed Ingram. Those  
18 were the three main.

19 Q. So you didn't have discussions with Aaron Olivarez  
20 describing the foreclosing loans as loans that were  
21 leveraged for business purposes?

22 A. Absolutely not.

23 Q. Did you have those discussions, or discussions of  
24 that type, with Michael Falk?

25 A. No.

TRIAL, 12/1/09

1 Q. Your understanding, would there have been any  
2 basis for Michael Falk to represent that to Aaron Olivarez  
3 or any other party?

4 A. None whatsoever.

5 Q. Did you have any discussions with George Evan  
6 Bybee regarding the purpose of the loan or why the  
7 underlying liens -- what the purpose or what -- where those  
8 loans came from?

9 A. No.

10 Q. How about with Marco Fields?

11 A. No.

12 Q. Did you ever have discussions with any of those  
13 people, Marco Fields, Aaron Olivarez, George Bybee, or  
14 Michael Falk, indicating that this property, this home was  
15 not where you and your wife and your children live?

16 A. No.

17 Q. You say that Michael Falk had worked with you  
18 before?

19 A. Correct.

20 Q. What had he worked with you in doing?

21 A. Mortgages. He was a mortgage broker.

22 Q. For what purpose? What type of mortgages?

23 A. He had obtained the original -- our house was  
24 completely paid off by April of 2000, and in January 2001 we  
25 bought my wife's mother a home, and he brokered that loan.

TRIAL, 12/1/09

1 Subsequent to that, we got the Washington Mutual loan in  
2 late November, early December 2001. He brokered that loan.  
3 He had also brokered a couple of loans prior to that in 2000  
4 when we bought the building on 2078 Prospector, and when we  
5 bought a warehouse -- actually, no. The warehouse was owner  
6 financing, so he was not involved in that.

7 Q. So are you saying that Mr. Falk assisted you in a  
8 personal capacity on your home and a business capacity on  
9 other loans?

10 A. Yes.

11 Q. And Mr. Falk knew that the Bear Hollow property  
12 was your residence, didn't he?

13 A. He knew it was our home, yes.

14 Q. Do you receive mail at your residence?

15 A. No.

16 Q. Where do you receive your mail?

17 A. It comes to P.O. Box 77 -- 770 in Park City. From  
18 there it's delivered to the UPS Store where we have Box No.  
19 278.

20 Q. Do you have an understanding of what happens to  
21 mail when it is mailed to your home address?

22 A. It is always returned.

23 Q. And how do you know that?

24 A. I have, over the past couple of years, asked  
25 people to mail me a letter to my home address, and they have

TRIAL, 12/1/09

1 all gotten it back. The Trustee in this case, Peter --

2 Q. Kevin.

3 A. Kevin, Kevin Bird.

4 Q. Well, there's Kevin Bird and there's also the  
5 United States Trustee.

6 A. The United States Trustee's office originally  
7 mailed mail to my home address, and they got it back as  
8 well.

9 Q. So if Winterfox mailed the documents to your home  
10 address, is it your testimony that you would not receive  
11 them?

12 A. It would have been returned to them provided that  
13 their return address was on the envelope.

14 Q. Let's look at Exhibits 7 and 8. These are copies  
15 of the disclosures, notices and disclosures under the Truth  
16 In Lending Act which Winterfox has testified under oath were  
17 delivered to you in -- or mailed to you in December 2004.  
18 In looking at these documents, you've seen these documents  
19 before, right?

20 A. Yes.

21 Q. Were these documents mailed to you in connection  
22 with you obtaining the loans from Winterfox?

23 A. No. None of -- none of these -- none of these  
24 documents here were ever mailed to me, including the ones  
25 that are stamped mailed. None of these documents were ever

TRIAL, 12/1/09

1 mailed to me.

2 MS. BOULEY: I'm just going to object and move to  
3 strike on the basis of foundation in terms of whether they  
4 were mailed. He testified he didn't receive them.

5 THE COURT: All right. I'm going to grant that motion.  
6 Can you rephrase.

7 MR. AFFLECK: Thank you, Your Honor.

8 Q. Did you receive any of these documents through the  
9 mail?

10 A. No.

11 Q. But you don't know if Winterfox mailed them or  
12 not?

13 A. I have no idea.

14 Q. Let's look at a few of these documents. Let's  
15 look at in Exhibit 7. If you turn to -- let's see. If you  
16 turn to the document labeled Winterfox No. 9, you see the  
17 bottom of the page WF 9? Are you in the right documents,  
18 sir?

19 A. Yes. I've got them.

20 Q. Okay.

21 A. WF.

22 Q. 9.

23 A. 9. Yep.

24 Q. This is the truth in lending disclosure statement  
25 for your loan, and it provides for a number of payments.

TRIAL, 12/1/09

1 359 -- or, actually, 360 payments. Were there 360 payments?

2 A. No.

3 Q. How many were there?

4 A. It was to be one payoff.

5 Q. And it includes a finance charge of

6 3,600-some-odd-thousand. Did you understand that to be the  
7 finance charge?

8 A. No.

9 Q. And total payments of 4.9 million?

10 A. No.

11 Q. Almost 5,000,000?

12 A. No.

13 Q. What about the annual percentage rate? Do you  
14 know what an annual percentage rate is?

15 A. Yes.

16 Q. What is it?

17 A. Well, it's the percentage rate charged on the --  
18 on the loan.

19 Q. And is it your understanding that the annual  
20 percentage rate of this loan was 12 percent?

21 A. No.

22 Q. Let's look at the next page, Winterfox 10. This  
23 indicates an Affidavit of Occupancy, and indicates that the  
24 property will be your primary residence. Is this correct?

25 A. Yes. Although, I never received this document

TRIAL, 12/1/09

1 either.

2 Q. Now looking at Exhibit 8, first page Winterfox 18,  
3 this is the Truth In Lending Disclosure Statement for the  
4 smaller of the loans. It indicates a number of payments,  
5 360. Is that correct?

6 A. No.

7 Q. And a finance charge of \$107,000?

8 A. No.

9 Q. Total payments of 146,000?

10 A. No.

11 Q. And 12 percent interest?

12 A. No.

13 Q. If you turn to page 22, Winterfox 22, again, here  
14 is this -- this is an Affidavit of Occupancy and it, again,  
15 indicates that the property is your primary residence. Is  
16 that correct?

17 A. Yes.

18 Q. Do you have an understanding of what the accurate  
19 APR, annual percentage rate, of the loans that you got from  
20 Winterfox was?

21 A. No.

22 Q. If I told you it was in excess of 70 percent, the  
23 first loan at least, would that surprise you?

24 A. I -- I would have never signed anything.

25 Q. Would you have looked for other loan opportunities

TRIAL, 12/1/09

1 if you had been aware of the accurate disclosure information  
2 on these loans?

3 A. Absolutely.

4 Q. Why were there two loans instead of one?

5 A. The title company could not get an actual payout  
6 from Wells Fargo in a timely manner. It took, I do believe,  
7 about four weeks for the girl that works there to get that  
8 payout.

9 Q. Did you take any cash out of the loans?

10 A. Where is the original --

11 Q. Maybe I can help you out here with a settlement  
12 statement. Take a look Exhibit 56. This document has been  
13 received into evidence. Does this refresh your  
14 recollection?

15 A. Yes.

16 Q. Okay. Did you receive any cash, did you take out  
17 any cash from these loans?

18 A. No.

19 Q. Sir, if you would look at the second page of  
20 Exhibit 56, in the closing statement, No. 808, there is a  
21 reference there. "Payoff NevWest Corp."

22 A. Correct.

23 Q. What is -- what does that refer to?

24 A. That's a company that I have.

25 THE COURT: I'm sorry. Excuse me. I'm not with you.

TRIAL, 12/1/09

1 MR. AFFLECK: It's Exhibit 56, Your Honor.

2 THE COURT: And second page?

3 MR. AFFLECK: Second page.

4 THE COURT: And -- and were you referencing a  
5 Bates-stamp?

6 MR. AFFLECK: I'm sorry. It's item --

7 THE COURT: Item.

8 MR. AFFLECK: -- 808 in the closing statement.

9 THE COURT: All right.

10 Q. (BY MR. AFFLECK) Isn't it true that \$45,000 came  
11 out of the loan proceeds?

12 A. Yes.

13 Q. In cash to NevWest?

14 A. Yes.

15 Q. What was the purpose of that payment?

16 A. It was a -- I think we treated it as a loan to  
17 NevWest, but I would have to ask Barbara Smith, my  
18 accountant, exactly how she treated that for that year.

19 Q. Okay. What was this \$45,000 to NevWest used for?

20 A. Actually, within a couple of days I spent 22,000  
21 of it to purchase a 2004 -- a second -- a used 2004 Jeep  
22 Wrangler.

23 Q. And did you purchase that in your own name or in  
24 NevWest's name?

25 A. In my own name and my wife's name.

TRIAL, 12/1/09

1 Q. What -- what is NevWest?

2 A. NevWest is a company that I have that I run my  
3 consulting business through.

4 Q. Okay. Out of, like, Heritage Prescott? It's a  
5 it's a business that you --

6 A. Develop other businesses in.

7 Q. Okay. Did you use money from this NevWest cash to  
8 assist you in taking a company public?

9 A. No.

10 Q. Or for other business ventures?

11 A. No.

12 Q. Aside from this \$45,000, was there any other money  
13 that was taken out in the form of cash?

14 A. Not that I'm aware of, no.

15 Q. Now, you had several liens against this property  
16 in December 2004, didn't you?

17 A. Yes.

18 Q. We've discussed the Ed Ingram mechanic's lien, the  
19 Washington Mutual loan trust deed.

20 A. Yes.

21 Q. And the Wells Fargo loan which, I think, was a --

22 A. Home equity line of credit.

23 Q. -- home equity line of credit. Now, there were  
24 some other liens too --

25 A. Yes.

TRIAL, 12/1/09

1 Q. -- weren't there? And those liens, I'll represent  
2 to you, are part of the stipulated facts in this record that  
3 are contained in the Pre-Trial Order at paragraph 33. One  
4 of those liens was for Utah -- it was a Utah Mortgage Center  
5 lien for \$50,000. Was that loan -- and I'll represent to  
6 you the Trustee has stipulated that that loan is -- was for  
7 business purposes. There was another loan for a lien for  
8 LaVon Kashkarian and Max VonApp. You described that earlier  
9 today in your testimony, right?

10 A. Yes.

11 Q. And that was a business-related obligation, wasn't  
12 it?

13 A. Yes.

14 Q. And there were a couple of Tax Commission liens as  
15 well. One for \$8,270.43, and one for income taxes relating  
16 to Laurie Kitts for \$28,482.87.

17 A. Correct.

18 Q. Do you know why there was a tax lien for Laurie's  
19 taxes on the property?

20 A. Her personal income tax.

21 Q. And why would that lien be on this property?

22 A. Because it was our home.

23 Q. Even though it was titled in Sun Peak's name?

24 A. Correct.

25 Q. And the Tax Commission lien, what was that for?

TRIAL, 12/1/09

1           A.    That was, if I'm not mistaken, state tax, and it  
2 might have been mine. It was either mine or Laurie's. One  
3 or the other.

4           Q.    So these liens totaled \$50,000. Utah Mortgage  
5 Center, LaVon Kashkarian, \$22,500, Utah Tax Commission,  
6 \$8,270.43, and the lien for Laurie's income taxes,  
7 \$28,482.87. And I'll represent to you that those are all  
8 stipulated facts, sir. Were any of these liens that I've  
9 just described in foreclosure at the time of the  
10 Winterfox/Kitts loan?

11          A.    Were any what?

12          Q.    Were any of the liens that I've just described in  
13 the process of foreclosure when you got the loan from  
14 Winterfox?

15          A.    No.

16          THE COURT: Mr. Affleck, is this a good point to break?

17          MR. AFFLECK: It would be, Your Honor. Thank you.

18          THE COURT: All right. We'll be in recess.

19          (Proceedings adjourned at 4:58 p.m.)
